Smith,2007-05 Set in 1995 in the southwestern desert known as the Four Corners Go Fast Go Crazy is the suspenseful cross generational story of one family s secrets and the redemptive value of discovering painful truths The novel follows the trail of Cliff and Jimmy two inseparable twenty year olds with uncertain futures Feeling persecuted by the local sheriff they steal their 68 Camaro from the police impound lot and cruise into the desert where they meet the beautiful Monique a French tourist with a camera and car problems After joining forces the trio play a dangerous cat and mouse game with the police as they go on a small time crime spree until they take refuge at crazy Uncle Milo s ranch where they discover all is not as it seems In the final showdown with the police everyone must make decisions that will affect them all forever If the truth does set you free the road to the truth can exact a heavy toll This explosive second novel deals with some of the uncomfortable legacies of the 1960 s on today s youth from a fresh and contemporary perspective It is a rite of passage from which there is ultimately no escape Where I Want to Be Ronel Brewer,2017-06-15 I began writing this book in real time However it took me twenty years to finish as it was initially freewriting The direction wasnt determined as I was lacking direction in my life I had many mentors and role models who helped mold me after but I was so determined to follow my own path The problem was that I had no destination I was just born to wander I was single and ready to do any and everything The only problem was I didnt have any idea what I wanted to do So I rolled with whatever hand I was dealt and did all that I could to master everything I became a jack of all trades but a master of none These actions left me longing for something However I didnt know what I was yearning for It wasnt until I got married and had kids that this book could be finished Although this novel is exaggerated reality it is a collection of vivid encounters that either I was a part of or had been told This was the world as I perceived it at the time and the reason why this version of me could never have finished this book **The Power of Fate**
