Mastering Self-Motivation Michael J. Provitera, 2012-12-07 The surge of motivational titles flooding bookstore shelves amid the worst economic crisis since the Great Depression is evidence of our society s growing obsession with self improvement Recently two areas of growing interest among academics have been positive organizational behavior and psychological capital While books on these

subjects have led to a new understanding of motivation they have limited their focus to two ends of a continuum This book pays heed to the extensive research and careful conclusions of academicians and then crosses into the realm of self help and massmarket literature It has nine chapters that blend topics being taught over two decades in the classroom and practiced in management consulting Each chapter invites you to learn both theoretical and practical concepts and encourages you to apply this knowledge to the workplace This book thus seeks to mediate market driven self help dreams and academic literature and provides theoretical concepts that can enhance individual motivation presented in a comprehensive and enjoyable manner This is the first motivational book that brings together the academic and popular literature to bridge the gap between common sense and theoretical concepts Self-Determination Theory Richard Ryan,Edward L.

Deci,2018-11-06 Among the most influential models in contemporary behavioral science self determination theory SDT offers a broad framework for understanding the factors that promote human motivation and psychological flourishing In this authoritative work SDT cofounders Richard M Ryan and Edward L Deci systematically review the theory s conceptual underpinnings empirical evidence base and practical applications across the lifespan Ryan and Deci demonstrate that supporting people s basic needs for competence relatedness and autonomy is critically important for virtually all aspects of individual and societal functioning Jacket Proceedings of the BISTIC Business Innovation Sustainability and Technology International Conference (BISTIC 2023) Ika Zutiasari,Dediek Tri Kurniawan,2023-11-30 This is an open access book
