Appointed to be Read in Churches ,1823 Translating Nephesh in the Psalms into Chinese Hui Er Yu,2018-08-31 This interdisciplinary study tackles the controversy of translating nephesh by using an intergenerational translation team to deepen our understanding of this term and providing a more valuable translation in Chinese especially for use in specialist Children s Bibles Traditionally nephesh is often translated in the Bible as soul but****

despite the limitations of this popular rendering it has led Christians in Chinese contexts to falsely understand views regarding the nature of human beings as a trichotomy Dr Hui Er Yu s study offers different options for translating nephesh using the context of where the word appears in Scripture as well as in reference to linguistic and cultural meanings in Chinese contexts The findings in this book will help to remove anthropological misunderstandings among many Chinese Christians related to nephesh as a result of historic translation decisions Dr Yu takes a unique approach to translation by using an intergenerational Bible translation team ranging from seven to fifty one years of age which not only demonstrates the importance of intergenerational ministry but also presents a way to fulfill the growing need for well translated Children s Bibles in China for thousands of young believers This book provides important lessons for the many translation projects working towards Children s Bibles but also for how translation of biblical terms can be better reached through this intergenerational process

The Earliest View of New Testament Tongues Maurice E. Vellacott,2024-11-11 This book is a groundbreaking paradigm shifting look at the languages tongues problem gl ssai of the first century AD Corinthian church It adduces that in a multilingual setting new converts were expressing themselves in their native dialect without translation where Koine Greek was not yet overriding all regional dialects This cuts against the idea that tongues were supernatural earthly languages an idea not found before AD 160 Vellacott also argues against the view that tongues were heavenly languages as claimed by Pentecostals Charismatics This he says is a novel trend started about 145 years ago by German higher critical scholars and seized upon after the 1906 15 Los Angeles Azusa Street Revival s supposed supernatural earthly languages proved to be a mirage whereupon a redefinition to heavenly angelic non earthly languages occurred This book soundly establishes the credibility of an ancient third view regarding tongues that they were non supernatural learned earthly languages The author endeavors to demonstrate that this is the earliest known Christian interpretation of New Testament tongues languages

Revelation, by Philip Doddridge; *the Epistles*, by James MacKnight ,1841 God Speaks My Language Aloo Osotsi Mojola,2020-03-31 This is the fascinating and important story of how God s Word came to East Africa Beginning with the pioneering efforts of Krapf and Rebmann Aloo Osotsi Mojola traces the history of Bible translation in the region from 1844 to the present He incorporates four decades of personal conversations and interviews along with extensive research to provide the first comprehensive account of the translations undertaken in Kenya Uganda Tanzania Rwanda Burundi and eastern Democratic Republic of Congo The maps and tables included assist the reader as does a history of the Swahili language its standardization role as lingua franca and impact on the work of translation Mojola s writing is a tribute to those who sacrificed much in their quest to see the word of God accessible to all people in all places and the many who continue to sacrifice for the peoples of East Africa This book is a key contribution to the important and ongoing narrative of how God has met us and continues to meet us in our own contexts and our own languages The Fire That Consumes Edward William Fudge,2012-10-25 While carefully examining the complete teaching of Scripture on the subject of Final Punishment Fudge defends the view that the destiny of the unsaved will be final destruction rather than eternal conscious torment in hell as defended by the traditional view The 3rd edition of this meticulous and compelling book takes a close look at the traditionalist critics and brings an overview of developments in the last thirty years
