Star Lore of All Ages William Tyler Olcott, 1911 Star Lore recounts the origins and histories of star groups as well as the stories of individual constellations Pegasus the winged horse Ursa Major the Greater Bear the seven daughters of Atlas known as the Pleiades the hunter Orion accompanied by his faithful dogs Canis Major and Canis Minor the signs of the Zodiac and minor constellations such as the ship Argo the Giraffe and the Unicorn Fifty eight black and white images include photographs of the actual stars as well as scenes from their related myths portrayed by Michelangelo Rubens Veronese and other artists This edition features a new introduction by astronomer Fred Schaaf in addition to an extensive appendix and index

The Paleolithic Paradigm Terry Stocker, 2009-12 The Paleolithic Paradigm takes us one step further in the nature nurture debate Certainly a certain percentage of our behaviors are biologically based However culture has the power to override much in genetic commands The Amish exemplify this no matter how much we qualify them as quaint Painting with a wide post modern paint brush Stocker takes on a journey through four cultures to show how different people can be He offers the analogy our genetic structure is the framework of any house How we cover and decorate that frame is often the product of ancient traditions However we are all products of the same cognitive processes thus explaining why we take ideas put into our heads as children to the grave whether we accept them reject them or alter them It is this commonality the author examines Accordingly he wants to know if we understand our cognition processes can we change out behavior at will

Star Lore William Tyler Olcott, 2012-05-11 Captivating retellings of the origins and histories of ancient star groups include Pegasus Ursa Major Pleiades signs of the zodiac and other constellations Classic Sky Telescope 58 illustrations

Televisual Shared Universes CarrieLynn D. Reinhard, Vincent Tran, 2023-10-03 This book of empirical studies analyzes examples of televisual shared universes since the 1960s to understand how the nature of televised serial narratives and network corporate policies have long created shared storyworlds While there has been much discussion about shared cinematic universes and comic book universes the concept has had limited exploration in other media such as those seen on the smaller screen By applying convergence culture and other contemporary media studies concepts to television s history contributors demonstrate the common activities and practices in serial narratives that align older television with contemporary television simultaneously bridging the gap between old media and new media studies Scholars of film studies media studies and popular culture will find this book of particular interest

Counseling and Psychotherapy C. Sanchez, 1997

Fairytale plot A. Cupidoxin, 2023-12-13 We often hear about the noble prince who rescues the poor king s daughter from the clutches of her pestilent stepmother of course after he has passed all kinds of tests

Kingdoms beautiful princesses subjects the main prize for demanding adventures so that young minds should fall asleep peacefully and emulate their heroes These old fashioned clichés are now being done away with And what else is there The fact that today anyone can become king and even try to do so often results in a trail of destruction in line with modern moralism The fairy tales collected in this volume deal with these and similar problems
