#### The Oxford Guide To The United States Government:

The Oxford Guide to the United States Government John J. Patrick, Richard M. Pious, Donald A. Ritchie, The ^AOxford Guide to the United States Government John J. Patrick, Richard M. Pious, Donald A. Ritchie, 2001-07-04 The Oxford Guide to the United States Government is the ultimate resource for authoritative information on the U S Presidency Congress and Supreme Court Compiled by three top scholars its pages brim with the key figures events and structures that have animated U S government for more than 200 years In addition to coverage of the 2000 Presidential race and election this Guide features biographies of all the Presidents Vice Presidents and Supreme Court Justices as well as notable members of Congress including current leadership historical commentary on past elections major Presidential decisions international and domestic programs and the key advisors and agencies of the executive branch in depth analysis of Congressional leadership and committees agencies and staff and historic legislation and detailed discussions of 100 landmark Supreme Court cases and the major issues facing the Court today In addition to entries that define legal terms and phrases and others that elaborate on the wide array of government traditions this invaluable book includes extensive back matter including tables of Presidential election results lists of Presidents Vice Presidents Congresses and Supreme Court Justices with dates of service lists of Presidential museums libraries and historic sites relevant websites and information on visiting the White House the Capitol and Supreme Court buildings A one stop comprehensive guide that will assist students educators and anyone curious about the inner workings of government The Oxford Guide to the United States Government will be a valued addition to any home library The Guide to the United States Government John J. Patrick, 2001 A one stop comprehensive guide that will assist students educators and anyone curious about the inner workings of government The Oxford Guide to the United States Government will be a valued addition to any home library R sum de l diteur Justice Stephen Field's Cooperative Constitution of Liberty Adam M. Carrington, 2017-06-30 This bookexamines liberty s Constitutional meaning through the jurisprudence of Justice Stephen Field one of the late Nineteenth Century's most influential Supreme Court Justices A Lincoln appointee who served on the Court from 1863 1897 Field articulated a view of Constitutional liberty that speaks to contemporary disputes Today some see liberty as protection through government regulation against private oppression Others see liberty as protection from government through limits on governmental power Justice Field is often viewed as siding against government power to regulate acting as a pre cursor to the infamous Lochner Era of the Court This work explains how Field instead saw both these competing conceptions of liberty as legitimate In fact the two cooperated toward a common end In his opinions Field argued that protections through and from government worked in tandem to guard fundamental individual rights In describing this view of liberty Field addressed key Constitutional provisions that remain a source of debate including some of the earliest interpretations of the Due Process Clause its relationship to state police power and civil rights and some of the earliest assertions of a national police power through the Commerce Clause This work

furthermore addresses the underpinnings of Field's views namely that he grounded his reading of the Constitution in the context of the common law and the Declaration of Independence In his principles as well as his approach this book argues Justice Field presents a helpful discussant in ongoing debates regarding the meaning of liberty and of the Constitution Order of the President Phillip J. Cooper, 2014-12-05 Scholars and citizens alike have endlessly debated the proper limits of presidential action within our democracy In this revised and expanded edition noted scholar Phillip Cooper offers a cogent guide to these powers and shows how presidents from George Washington to Barack Obama have used and abused them in trying to realize their visions for the nation As Cooper reveals there has been virtually no significant policy area or level of government left untouched by the application of these presidential power tools Whether seeking to regulate the economy committing troops to battle without a congressional declaration of war or blocking commercial access to federal lands presidents have wielded these powers to achieve their goals often in ways that seem to fly in the face of true representative government Cooper defines the different forms these powers take executive orders presidential memoranda proclamations national security directives and signing statements demonstrates their uses critiques their strengths and dangers and shows how they have changed over time Cooper calls on events in American history with which we are all familiar but whose implications may have escaped us Examples of executive action include Washington's Neutrality Proclamation Lincoln's Emancipation Proclamation the more than 1 700 executive orders issued by Woodrow Wilson in World War I FDR also issued the order to incarcerate Japanese Americans during World War II Truman's orders to desegregate the military Eisenhower's numerous national security directives JFK s order to control racial violence in Alabama As Cooper demonstrates in his balanced treatment of these and subsequent presidencies each successive administration finds new ways of using these tools to achieve policy goals especially those goals they know they are unlikely to accomplish with the help of Congress A key feature of the second edition are case studies on the post 9 11 evolution of presidential direct action in ways that have drawn little public attention It clarifies the factors that make these policy tools so attractive to presidents and the consequences that can flow from their use and abuse in a post 9 11 environment There is an important new chapter on executive agreements which though they are not treaties within the meaning of the U S Constitution and not subject to Senate ratification appear in many respects to be rapidly replacing treaties as instruments of foreign policy Focus On: 100 Most Popular 20Th-century Edward Terry Sanford Stephanie L. Slater, 2024-01-12 In Edward Terry American Politicians Wikipedia contributors, Sanford A Tennessean on the U S Supreme Court Stephanie Slater uncovers the life and work of Edward Terry Sanford 1865 1930 the only Supreme Court justice who obtained his undergraduate degree from the University of Tennessee Born and raised in Knoxville Sanford served as an associate justice on the United States Supreme Court from 1923 until his death in 1930 He was one of only six Tennesseans to serve on the nation s highest Court Slater s delineation of Sanford s contributions to the legal profession illuminates one of Tennessee's favorite sons whose story had until now been largely left

in the dark Slater frames Sanford's personality and jurisprudence in a post Civil War and Taft era context one that helps readers better understand both the man and his contributions to the Supreme Court From Slater's important work we learn about Sanford's early upbringing the lasting impression a largely pro Union East Tennessee would leave upon Sanford his rise from a skilled lawyer to federal judge during the rapid industrialization of Knoxville and the surrounding area and his eventual appointment to the Supreme Court Within Sanford's rich legacy is the pivotal role he played in writing the majority opinion in the landmark 1925 case Gitlow v New York a decision which became a critical legal precedent for the expansion of civil rights and civil liberties in the 1950s and 1960s Slater provides a keen look into the life of a Knoxville native whose life and career may now be appreciated and studied by a new generation Sanford his character and his life as a Tennessean on the Supreme Court are sure to intrigue legal scholars students of Tennessee culture and history and general audiences alike Stephanie L Slater a three time graduate of the University of Tennessee has worked in the state and federal court systems in Tennessee since obtaining her J D in 1990 Her articles have appeared in the Journal of Supreme Court History and Tennessee Law Review Vietnam and the American Political Tradition Randall B. Woods, 2003-02-24 This volume is intended to demonstrate how opposition to the war in Vietnam the military industrial complex and the national security state crystallized in a variety of different and often divergent political traditions Indeed for many of the figures discussed dissent was a decidedly conservative act in that they felt that the war threatened traditional values mores and institutions even though their definitions of what was sacred differed profoundly To an extent many of the dissenters treated in this volume were at one time Cold War liberals During the course of the Vietnam War they came to see the foreign policy which they were supporting with its willingness to invoke the democratic ideal and at the same time tolerate dictatorships in the cause of anticommunism as morally and politically corrupt Most dissenters increasingly came to perceive cold war liberalism as a radical departure that threatened the fundamental ideals of the republic The American Yawp Joseph L. Locke, Ben Wright, 2019-01-22 I too am not a bit tamed I too am untranslatable I sound my barbaric yawp over the roofs of the world Walt Whitman Song of Myself Leaves of Grass The American Yawp is a free online collaboratively built American history textbook Over 300 historians joined together to create the book they wanted for their own students an accessible synthetic narrative that reflects the best of recent historical scholarship and provides a jumping off point for discussions in the U S history classroom and beyond Long before Whitman and long after Americans have sung something collectively amid the deafening roar of their many individual voices The Yawp highlights the dynamism and conflict inherent in the history of the United States while also looking for the common threads that help us make sense of the past Without losing sight of politics and power The American Yawp incorporates transnational perspectives integrates diverse voices recovers narratives of resistance and explores the complex process of cultural creation It looks for America in crowded slave cabins bustling markets congested tenements and marbled halls It navigates between maternity wards prisons streets bars and boardrooms

The fully peer reviewed edition of The American Yawp will be available in two print volumes designed for the U S history survey Volume II opens in the Gilded Age before moving through the twentieth century as the country reckoned with economic crises world wars and social cultural and political upheaval at home Bringing the narrative up to the present The American Yawp enables students to ask their own questions about how the past informs the problems and opportunities we Napoleon Wasn't Short and St Patrick Wasn't Irish Andrea Barham, 2014-10-09 A lighthearted guide that reveals the many myths fabrications and ambiguities found in the annals of world history Education for Democracy Walter C. Parker, 2002-07-01 Part of the Research in Social Education series this text is divided into three parts contexts curricula and assessments It covers such topics as the irony of exclusion teaching tolerance and multicultural citizenship education Did They Rest in Peace? Joseph William Lewis Jr. M.D., 2018-10-18 Ashes to ashes dust to dust By what miracle can an assortment of seemingly unrelated particles come together and correctly assemble to form a human being Amazingly once aggregated these atoms molecules and compounds manage to interact reasonably coherently during our lives but seek to return to their dusty state when death occurs Of the billions of our species who have existed on earth over the millennia most have quietly and inexorably returned to ashes and dust when their term of life expired This book tracks some of the misadventures of selected corpses including burials that went awry to body snatching exhumations human relic collection and assorted desecrations Over the years it seems that a remarkable number of bodies have failed to enjoy the admonition to Rest in Peace Whether these aberrations in the burial process have disturbed the afterlife of the departed everyone is dying **Preparing the Next Generation of Oral Historians** Barry A. Lanman, Laura M. to discover the answer Wendling, 2006-05-11 Preparing the Next Generation of Oral Historians is an invaluable resource to educators seeking to bring history alive for students at all levels The anthology opens with chapters on the fundamentals of oral history and its place in the classroom but its heart lies in nearly two dozen insightful personal essays by educators who have successfully incorporated oral history into their own teaching Filled with step by step descriptions and positive student feedback these chapters offers practical suggestions on creating curricula engaging students gathering community support and meeting educational standards Lanman and Wendling open each chapter with thoughtful questions that guide readers whether unfamiliar with oral history or seeking to refine their approach in applying the examples to their own classrooms The bibliography of further resources at the anthology's close provides interested educators with all the information necessary to transform their lessons and show their students history s power as a living force within their own lives and communities The Civil War Era and Reconstruction Mary Ellen Snodgrass, 2015-03-26 The encyclopedia takes a broad multidisciplinary

The Civil War Era and Reconstruction Mary Ellen Snodgrass, 2015-03-26 The encyclopedia takes a broad multidisciplinal approach to the history of the period It includes general and specific entries on politics and business labor industry agriculture education and youth law and legislative affairs literature music the performing and visual arts health and medicine science and technology exploration life on the Western frontier family life slave life Native American life women

and more than a hundred influential individuals The 25-Day Vice-President Jeffrey K. Smith, 2024-11-25 The 25 Day Vice President Alabama's William Rufus de Vane King documents the life and times of an often overlooked 19th Century statesman Born to wealth and privilege in North Carolina King grew up to become an attorney and was elected by Tarheel voters to serve in the State Legislator and U S Congress In 1819 after serving in Europe as Legation Secretary for the American Foreign Minister to the Two Sicilies and Russia King migrated to the Alabama Territory He guickly became a prominent member of the territory s rapidly growing slaveholding planter class aristocracy As an established community leader King helped construct a new city near his plantation home Furthermore he was credited with naming the community Selmz in honor of a favorite Ossian poem After Alabama was admitted to the Union King was elected as one of the 22nd state s first U S Senators For nearly three decades he served in the Senate representing his adopted home state As a slaveholder King believed perpetuation of the barbaric institution was a Constitutional right Nonetheless he never joined forces with the so called fire eaters rabid secessionists who advocated disunion if the federal government threatened to abolish slavery As a Moderate Democrat King was a political conciliator rather than agitator While serving in the U S Senate he facilitated compromises between pro and anti slavery forces temporarily forestalling inevitable secession and the bloody American Civil War As a conciliator and compromiser King was a political anomaly in the Deep South King died in March 1853 just 25 days after he was sworn into office as the 13th Vice President of the United States and eight years before the onset of the Civil War Inaugurated while he was seeking treatment for terminal tuberculosis in the island nation of Cuba King remains the first and only American President or Vice President to take the oath of office on foreign soil King was no doubt an enigmatic figure He was a respected statesman who vainly sought to save America from disunion In his later years he resigned from Congress to serve as Foreign Minister to France where he convinced the European power to refrain from interfering with America s Manifest Destiny expansionist agenda While mild mannered and chivalrous King was never a shrinking violet On at least three separate occasions he accepted challenges to participate in potentially deadly duels when his honor was called into question As a lifelong bachelor King was the target of unsubstantiated rumors and innuendo concerning his sexual orientation Political enemies repeatedly proclaimed King was gay derisively nicknaming him Miss Fancy The 25 Day Vice President is a compelling narrative Much of William R King s life journey unfolded during America s tumultuous Antebellum era when the nation was not yet a century old While slavery proved to be the most divisive issue other controversies led to bitter disagreements and the formation of rival political parties Given the taboo nature of same sex relationships in the 19th Century King's private life is explored under a detailed and objective light Readers will be challenged to judge whether individuals personal and private choices detract from their accomplishments or meaningfully alter the historical record Undoubtedly King is one of many lesser known public figures who helped weave America's complex political and social fabric **Doing Oral History** Donald A. Ritchie, 2003-08-07 Oral history is vital to our understanding of the cultures and

experiences of the past Unlike written history oral history forever captures people s feelings expressions and nuances of language But what exactly is oral history How reliable is the information gathered by oral history And what does it take to become an oral historian Donald A Ritchie a leading expert in the field answers these questions and in particular explains the principles and guidelines created by the Oral History Association to ensure the professional standards of oral historians Doing Oral History has become one of the premier resources in oral history It explores all aspects of the field from starting an oral history project including funding staffing and equipment to conducting interviews publishing videotaping preserving materials teaching oral history and using oral history in museums and on the radio In this second edition the author has incorporated new trends and scholarship updated and expanded the bibliography and appendices and added a new focus on digital technology and the Internet Appendices include sample legal release forms and information on oral history organizations Doing Oral History is a definitive step by step guide that provides advice and explanations on how to create recordings that illuminate human experience for generations to come Illustrated with examples from a wide range of fascinating projects this authoritative guide offers clear practical and detailed advice for students teachers researchers and amateur genealogists who wish to record the history of their own families and communities Canada and the Blackface Atlantic Cheryl Thompson, 2025-04-22 Canada and the Blackface Atlantic traces the origins of theatre dance and concert singing in Canada and their connection to British and American song and dance traditions When theatrical acts first appeared in the late eighteenth century chattel slavery had transformed into mass entertainment on minstrel stages across the Atlantic world As railroads and theatres were built local blackface troupes emerged alongside touring British and American acts By the 1850s blackface theatre could be found in remote Western outposts to stages in Central and Maritime Canada This is one of the first books to connect the rise of Canadian blackface minstrelsy with the emergence of Black singers and choral groups It describes how Black performers who assumed minstrelsy s mask remapped plantation slavery on Canadian stages It begins with the conflicts that shaped North America the American Revolutionary War and the War of 1812 Next it connects these origins with eighteenth century British immigration which brought folk dances and masking traditions to North America From there it unmasks when and how Jim Crow became an Atlantic world sensation which set the stage for blackface to expand Finally it considers how Black acts reimagined the parameters of their own freedom **Judiciaries** in Comparative Perspective H. P. Lee, 2011-08-11 An independent and impartial judiciary is fundamental to the existence and operation of a liberal democracy Focussing on Australia Canada New Zealand South Africa the United Kingdom and the United States this comparative 2011 study explores four major issues affecting the judicial institution These issues relate to the appointment and discipline of judges judges and freedom of speech the performance of non judicial functions by judges and judicial bias and recusal and each is set within the context of the importance of maintaining public confidence in the judiciary The essays highlight important episodes or controversies affecting members of the judiciary to illustrate relevant

principles <u>Judges and Adjudication in Constitutional Democracies: A View from Legal Realism Pierluigi Chiassoni, Bojan</u> Spaić, 2020-12-11 The book offers contributions to a philosophical and realistic approach to the place of adjudication in contemporary constitutional democracies Bringing together scholars from different legal and philosophical backgrounds the book purports to cast light on the role's of judges and the function of judicial interpretation inside of constitutional states from the standpoint of legal realism as a revisited and sophisticated jurisprudential outlook In so doing the book also copes with a few major jurisprudential issues like e g determining the ideas that make up the core of legal realism exploring the relation between legal realism and legal positivism identifying the boundaries of judicial interpretation as they appear from a realist standpoint as well as considering some skeptical outlooks on the very claims of contemporary legal realism **Bohemians** Ben Tarnoff, 2015-02-24 An extraordinary portrait of a fast changing America and the Western writers who gave voice to its emerging identity At once an intimate portrait of an unforgettable group of writers and a history of a cultural revolution in America The Bohemians reveals how a brief moment on the far western frontier changed our culture forever Beginning with Mark Twain's arrival in San Francisco in 1863 this group biography introduces readers to the other young eccentric writers seeking to create a new American voice at the country's edge literary golden boy Bret Harte struggling gay poet Charles Warren Stoddard and beautiful haunted Ina Coolbrith poet and protector of the group Ben Tarnoff's elegant atmospheric history reveals how these four pioneering writers helped spread the Bohemian movement throughout the world transforming American literature along the way Tarnoff's book sings with the humor and expansiveness of his subjects prose capturing the intoxicating atmosphere of possibility that defined for a time America's frontier The New Yorker Rich hauls of historical research deeply excavated but lightly borne Mr Tarnoff's ultimate thesis is a strong one strongly expressed that together these writers helped pry American literature away from its provincial origins in New England and push it into a broader current Wall Street Journal
