Some online services provide ready-to-use online modules, some do that but for a fee, some don't, most just have links. So be on the lookout for online modules connecting resources to what you and your students know. (There are also examples of more elaborate modules.) We'll not include weblogs, although we have links to sites with offerings. If you search, you'll find a lot more, but we thought that you had the best resources and you're in excellent luck with online modules. The module is www.ck12.org/Conceptual-Change-Model, and another is www.ck12.org/Conceptual-Change-Model.
