The Mayan Oracle Return Path to the Stars Deck Book Set INC. U. S. GAMES SYSTEMS, 1996-01-01 **The Mayan Calendar and the Transformation of Consciousness** Carl Johan Calleman, 2004-03-25 Reveals the Mayan calendar to be a spiritual device that describes the evolution of human consciousness from ancient times into the future Shows the connection between cosmic evolution and actual human history Provides a new science of time that explains why time not only seems to be speeding up in the modern world but is actually getting faster Explains how the end of the Mayan calendar is not the end of the world but a path toward enlightenment The prophetic Mayan calendar is not keyed to the movement of planetary bodies Instead it functions as a metaphysical map of the evolution of consciousness and records how spiritual time flows providing a new science of time The calendar is associated with nine creation cycles which represent nine levels of consciousness or Underworlds on the Mayan cosmic pyramid Through empirical research Calleman shows how this pyramidal structure of the development of consciousness can explain things as disparate as the common origin of world religions and the modern complaint that time seems to be moving faster Time in fact is speeding up as we transition from the materialist Planetary Underworld of time that governs us today to a new and higher frequency of consciousness the Galactic Underworld in preparation for the final Universal level of conscious enlightenment Calleman reveals how the Mayan calendar is a spiritual device that enables a greater understanding of the nature of conscious evolution throughout human history and the concrete steps we can take to align ourselves with this growth toward enlightenment The Mayan Code Barbara Hand Clow, 2007-03-29 Bestselling author Barbara Hand Clow shows how the Mayan Calendar is a bridge to galactic wisdom that fosters personal growth and human evolution Unearths the meaning behind the calendar its message for modern civilization and what will happen after the calendar ends Reveals how time acceleration is a manifestation of the acceleration of consciousness By the author of The Pleiadian Agenda The Mayan Code is a deep exploration of how with the end of the Mayan Calendar time and consciousness have been accelerating giving us a new understanding of the universe Using Carl Johan Calleman's research as well as the ideas of other Mayan Calendar scholars Barbara Hand Clow examines 16.4 billion years of evolution to decode the creative patterns of Earth the World Mind These great patterns culminated in 2011 but subsequent astrological influences have continued to inspire us to attain oneness and enlightenment The Mayan Code shows how the time cycles of the Calendar match important periods in the evolutionary data banks of Earth and the Milky Way Galaxy These stages of evolution converged during the final stage of the Calendar the period between 1999 and 2011 Evidence of the tightening spiral of time that we experience as time speeding up war and territoriality resource management

and separation from nature are all part of daily events we must process during the coming years Barbara Hand Clow counsels that our own personal healing is the most important factor as we prepare to make this critical leap in human evolution now referred to as the awakening of the World Mind
