The Meaning And Symbols Of Holy Eucharist An Instructed Eucharist:

The Meaning and Symbols of Holy Eucharist Van A. McCalister, II, Fr Van a McCalister II, 2014-05-01 The Meaning and Symbols of Holy Eucharist is an introduction to worship in the Anglican tradition as observed in the American Church The centerpiece of the book is an Instructed Eucharist based on Rite Two Eucharistic Prayer A from the 1979 Edition of the American Book of Common Prayer From the Preface Much of my ministry has been spent on mentoring and preparing new comers confirmands lay ministers and recently ordained clergy for worship and ministry It is my prayer that this brief book will provide the necessary big picture that we all need to make sense of this form of worship we call Liturgy These resources may be particularly useful for First Communion Confirmation and Licensed Lay Ministry training I have also been mindful of the outsider like myself who came from a non liturgical tradition and would have appreciated a primer to help me on my way as I fell in love with the Liturgy even though much of it was an enigma For those of us in that situation the heart understood the Liturgy long before the mind did The following essays and instructions are intended to help your mind catch up with your heart However there is not a wall of separation between heart and mind they are in constant interaction with one another Therefore I have also intentionally framed the following instructions within an attitude of devotion that we may draw nearer to Jesus with all our heart soul mind and strength The Meaning and Symbols of Holy Eucharist also includes descriptions of the Seasons of the Church Year instructions on How to Receive Holy Communion Common visual symbols with illustrations recommended prayers for personal devotions the Private Prayers offered by the priest during the Celebration how to lead Morning Prayer Frequently Asked Questions about Anglicanism and a glossary of terms Quotes from the Early Church Fathers are interspersed through out the book
