The Mental Game Of Poker :

The Mental Game of Poker Jared Tendler, Barry Carter, 2011-10-02 **The Mental Game of Poker 2** Jared Tendler, 2013-04-23 Imagine the edge you would have if you could consistently play poker in the zone In the zone you make all the right decisions instinctively when to bluff and are unfazed by a losing hand You're locked in and feel unbeatable It's shocking how many poker players stumble into this elusive state of mind As quickly as that euphoric feeling of invincibility arrives it's gone And no matter how hard they try they can't get back there Until now In **The Mental Game of Poker 2** author and renowned poker mental game coach Jared Tendler breaks down the zone and delivers actionable steps to help players get there consistently He demystifies the zone and for the first time brings logic and order to this previously misunderstood concept This book provides proven strategies to Play poker longer and across more online tables Improve decision making Learn faster Eliminate common mistakes Increase focus and discipline **The Mental Game of Poker 2** expands on the psychological strategies and theories from Tendler's groundbreaking book **The Mental Game of Poker** which cracked the code on managing tilt and has helped thousands of players eliminate mental leaks from their games Like the first book **The Mental Game of Poker 2** is a must have resource for every poker player who is serious about improving **Winning the Mental Game on Wall Street** John Magee, W.H.C. Bassetti, 2000-04-20 This book is the new edition of John Magee's classic *General Semantics of Wall Street* An indispensable companion to John Magee's and Robert Edward's classic *Technical Analysis of Stock Trends* **Winning the Mental Game on Wall Street** covers the mind set the preconceptions the false and misleading habits that hinder peak performance It exhausts **The Mental Game of Trading** Jared Tendler, 2021-04-09 A step by step system for mastering trading psychology Think about your most costly and recurring trading mistakes Chances are that they're related to common errors such as chasing price cutting winners short forcing mediocre trades and overtrading You've likely tried to fix these errors by improving your technical skills and yet they persist That's because the real source of these mistakes is not technical they actually stem from greed fear anger or problems with confidence and discipline If you are like most traders you probably overlook or misunderstand mental and emotional obstacles Or worse you might think you know how to manage them but you don't and end up losing control at the worst possible time You're leaving too much money on the table which will either prevent you from being profitable or realizing your potential While many trading psychology books offer sound advice they don't show you how to do the necessary work That's why you haven't solved the problems hurting your performance With straight talk and practical solutions Jared Tendler brings a new voice to trading psychology In **The Mental Game of Trading** he busts myths about emotions greed and discipline and shows you how to look past the obvious to identify the real reasons you're struggling This book is different from anything else on the market You'll get a step by step system for discovering the cause of your problems and eliminating them once and for all And through real stories of traders from around the world who have successfully used Tendler's system you'll learn how to tackle

your problems improve your day to day performance and increase your profits Whether you re an independent or institutional trader and regardless of whether you trade equities forex or cryptocurrencies you can use this system to improve your decision making and execution Finally you have a way to reach your potential as a trader Now s the time to make it happen
