The Holy Scriptures
Miles Coverdale, 1838 **A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides *Christianity According to the Bible* Ron Rhodes, 2006-09-01 How should a Christian respond when someone says The Bible is just another book or No one can really be certain God exists or Jesus was a wonderful person just like a lot of other great men Popular Bible scholar Ron Rhodes lays out the clear teaching of Scripture on 12 essential elements of biblical Christianity including God Jesus Christ and the Holy Spirit angels demons and Satan sin salvation and the afterlife Each chapter mentions popular misconceptions about a particular topic and then

presents a thorough yet easy to understand explanation of the related biblical truth These informative presentations are also highly inspirational Discussion questions for each chapter make this an ideal guide for group or personal use

Frank Chase Jr, 2016-06-14 KLEPTOMANIAC Who's Really Robbing God Anyway is a trek through the pages of the Bible to find the untwisted truth about the centuries old teachings on tithes and offerings Every page of this book has information that will make you become an analyst in getting to the bottom line of what tithing is in the Old and New Testament It takes you on a journey to first define the word tithe and then breaks down the differences between giving and tithing as the Bible instructs The author attempts to expose what most people believe as fact to bring them to what the Bible actually teaches when it comes to true giving Are the arguments put forth today about tithing fact or fiction This book tackles tough questions like did God ever require a tithe of money Was the contents of the tithe always money in the Bible Who is really robbing God today Did God change the tithe at some point in biblical history Are first fruits money Is the tithe food money or both Is the church the storehouse Did Jesus Paul and the Disciples tithe Did the early church honor a money tithe system Are Christians really cursed for not tithing ten percent of their income These questions will be answered based on scholarship the land the language and the literature of the original Biblical people Not only will questions be answered for those confused about whether or not they are required to pay ten percent of their income to any religious institution they will learn what the Bible really teaches about money and stewardship The author meticulously examines the word tithe in both the Hebrew and Greek language To understand every Bible verse that contains the word tithe the author gives context and definitive definitions for clarity of the text This book also explains the concept of giving from a New Testament perspective without the mandate of ten percent and explains why the Apostle Paul never mentioned tithing to any of the New Testament congregations From Genesis to Revelation this book is about how to properly interpret biblical terms to arrive at the proper interpretation of a biblical text that refers to money or tithing Because there are pros and cons about tithing the author examines both tithing and non tithing theological camps and presents analysis and conclusions so that the reader can make an informed choice as to how they will give in the future Since money is vital in every part of society and the church this book spends a considerable amount of time detailing how money was used in the Bible to help readers know the difference between tithes and money The tithing phenomenon has been around for centuries and this book is an expose into the how the current doctrine came into existence and who the culprits were who played a major role in what churches teach today Whether you agree or disagree with tithing as a viable doctrine KLEPTOMANIAC is a back to the past look at Israel's history and how they practiced tithing in a theocracy This book also questions how tithing practices of today affect people financially and how those practices are unlike tithing practices of yesterday Not only does this book challenge the accepted definitions of the tithe it also questions the sustainability of the current practices especially when economic times get tough for people who may not be able to give much From the very beginning to the end of the book

everything is supported by Scripture and research You will know from the onset why the author Dr Frank Chase Jr wrote the book and learn about his personal story of what happened as a result of embracing New Covenant giving principles from the New Testament Not only does the book cover the Old Testament tithe it also unveils what the New Testament teaches about giving by analyzing some of the epistles of Apostle Paul concerning his views and instructions on charitable giving **The 10 Most Important Things You Can Say to a Mormon** Ron Rhodes,2001-08-15 Covers the Mormon view of the Bible the Book of Mormon origins Stresses the importance of the Trinity salvation by grace not works and more *The New Schaff-Herzog Encyclopedia of Religious Knowledge* Johann Jakob Herzog,Albert Hauck,Samuel Macauley Jackson,Charles Colebrook Sherman,George William Gilmore,1908 *Brain Builders* Frank Minirth, MD,2018-01-02 Brain Builders helps readers tap into more of their brain s potential through the mental exercise of vocabulary building and memorization With the exercises in this book readers can improve test scores increase IQ memorize more information communicate more effectively and excel in work and interactions with other people The book also reveals eight time proven memory techniques encourages Scripture memorization and offers insights into language that will open new doors for any reader **Back to the Future** Ralph E. Jr. Bass,Ralph Bass,2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author s mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something fare different from the usual offerings This book is the result of the author s quest **Building Blocks for Bible Study** Peter Verkruyse,1997 Presents strategies for studying the Bible Offers advice for selecting the right Bible methods of interpretation and the use of commentaries Includes exercises and review questions **The Apostle Paul's Letters from Prison** Bennie Goodwin,1993-06 **Reasoning from the Scriptures with the Jehovah's Witnesses** Ron Rhodes,2009-07-01 Christians have great news to offer Jehovah s Witnesses In this revised and updated version of the top selling Reasoning from the Scriptures with the Jehovah s Witnesses more than 90 000 copies sold author and Bible expert Ron Rhodes helps readers delve into the Bible and use practical tools to share God s truths with those who come calling Convenient side by side comparisons of the New World Translation and the Bible along with answers to each doctrinal error espoused by the Witnesses Point by point lists of the favorite tactics and arguments used by the Witnesses along with
