The Pages We Forget:

The Pages We Forget Anthony Lamarr, 2014-12-16 In this heartfelt emotional drama singer songwriter June is trying to find the answers to love Will she end up with the man written in so many of her songs the one who broke her heart or with the musician who brought her to fame It s been ten years since June s first love Keith walked out of her life without saying goodbye Ten years two months and sixteen days to be exact since the night he first made love to her then tiptoed out of the room while she lay in bed pretending to be asleep June s life was over after that night but she didn t stop living Instead she found a reason to live in her newborn son and a reason to love again with Alex an aspiring musician With Alex she finds fame fortune and contentment But now her enviable life as one of music s brightest and most beloved stars is about to change in a way she never expected Before her last song ends June will come face to face with the horrible truth about that night ten years ago And who will she choose the man whose touch ruined her life or the man whose unconditional love saved her
