**Pedagogies of the Imagination** Timothy Leonard,Peter Willis,2008-06-11 I have long admired the mythopoetic tradition in curriculum studies That admiration followed from my experience as a high school teacher of English in a wealthy suburb of New York City at the end of the 1960s A dream job I taught four classes of 15 20 students during a nine period day in a dream suburb where I could afford to reside only by taking a room in a retired teacher s house many of these often Ivy League bound students had everything but meaningful lives This middle class Midwestern young teacher was flabbergasted In one sense my academic life has been devoted to understanding that searing experience Matters of meaning seemed paramount in the curriculum field to which Paul Klohr introduced me at Ohio State Klohr assigned me the work of curriculum theorists such as James B Macdonald Like Timothy Leonard who also studied with Klohr at Ohio State and Peter Willis Macdonald 1995 understood that school reform was part of a broader cultural and political crisis in which meaning is but one casualty In the mythopoetic tradition in curriculum studies scholars labor to understand this crisis and the conditions for the reconstruction of meaning in our time in our schools

Ebert, Deborah Scott Studebaker, 2008 In *A School By Every Other Name* Ebert and Studebaker suggest that the fundamental problem facing public education is that education is fundamentally an institution The failure of school reform efforts to elevate public education in the United States to a pre eminent position is due to the myth of educational reform the mistaken belief that substantive changes actually occur Yet how different is education today than it was 50 100 even 200 years ago Reform has become a part of the survival mechanism that keeps the institution in business *A School By Every Other Name* calls for a revolution that would reconceptualize the institution of education That effort begins with overcoming our national cultural identity crisis Rather than prescribing what must be done *A School By Every Other Name* presents poignant perspectives and

background and then invites the reader to begin answering the questions that could lead to building a new institution of education Not just a book about education *A School By Every Other Name* is a workbook for beginning the dialogue toward systemic change in American schools     **The Encyclopedia of Middle Grades Education** Steven B. *Parents' Guide to Special Needs Schooling* Ruth F. Cantor,Jeffrey A. Cantor,1995-12-11 This book is written to help parents of special needs children understand and navigate the educational system The book describes the various ways parents can be involved in planning and delivering a special education program for their child Communication between school medical practitioner and parents is the key ingredient to success in these endeavors This is the central theme of the book Topics covered include proper diagnosis of the disability confirmation of perceived problems parental coping strategies assessment educational program identification IEP program planning processes interfacing with school system organizations finding support groups and information and due process As important as parental involvement in a child s education is for a healthy child it is even more essential for the special needs child The authors have found that the school system is not always a friendly organization when it comes to parental involvement Yet a parent s involvement in diagnostic and placement procedures and overseeing and measuring progress is a right This book will guide parents in exercising these rights to total involvement in the process
