The Broadview Anthology of British Literature: Volume 1: The Medieval Period - Second Edition Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Don LePan, Roy Liuzza, Jerome J. McGann, Anne Lake Prescott, Barry V. Qualls, Claire Waters, 2009-08-21 In all six of its volumes The Broadview Anthology of British Literature presents British literature in a truly distinctive light Fully grounded in sound

literary and historical scholarship the anthology takes a fresh approach to many canonical authors and includes a wide selection of work by lesser known writers The anthology also provides wide ranging coverage of the worldwide connections of British literature and it pays attention throughout to issues of race gender class and sexual orientation It includes comprehensive introductions to each period providing in each case an overview of the historical and cultural as well as the literary background It features accessible and engaging headnotes for all authors extensive explanatory annotations throughout and an unparalleled number of illustrations and contextual materials offering additional perspectives both on individual texts and on larger social and cultural developments Innovative authoritative and comprehensive The Broadview Anthology of British Literature embodies a consistently fresh approach to the study of literature and literary history The second edition of volume one of The Broadview Anthology of British Literature includes considerably more of Langland's *Piers Plowman* than appears in the first edition and includes for the first time the work of John Gower Also new to the bound book component of the anthology is the York Crucifixion Play and additional work by Chaucer With this volume as with the others material continues to be added on an ongoing basis to the website component of the anthology *The Bookman*, 1900

British Books in Print, 1924 **Catholic World**, 1917 Hymns and Hymnody: Historical and Theological Introductions, Volume 1 Mark A. Lamport, Benjamin K. Forrest, Vernon M. Whaley, 2019-02-21 Hymns and the music the church sings are tangible means of expressing worship And while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship Hymns and Hymnody Historical and Theological Introductions is a 60 chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of Hymns and Hymnody is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature *American Book Publishing Record*, 2005 **Anchoritism in the Middle Ages** Catherine Innes-Parker, Naoë Kukita Yoshikawa, 2013-04-30 This volume explores medieval anchoritism the life of a solitary

religious recluse from a variety of perspectives The individual essays conceive anchoritism in broadly interpretive categories challenging perceived notions of the very concept of anchoritic rule and guidance studying the interaction between language and linguistic forms addressing the connection between anchoritism and other forms of solitude particularly in European tales of sanctity and exploring the influence of anchoritic literature on lay devotion As a whole the volume illuminates the richness and fluidity of anchoritic texts and contexts and shows how anchoritism pervaded the spirituality of the Middle Ages for lay and religious alike It moves through both space and time ranging from the third century to the sixteenth from England to the Continent and back
