**Revelation of Jesus Christ** Grace Chung, 2025-08-14 This book is the words of God explaining about the book of Revelation and about the end time It gives us the God s explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues of seven seals This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world Once Jesus showed me what will happen in the very end of the world I saw the people who will be left behind on earth being flown away by the huge fiery tempest since heaven and earth will flee away and all the gravity on earth will disappear in the end of the world In 2 Peter 3 10 12 it says But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat This book is the first volume of the messages of the book of Revelation that I have translated Soon there will be the second and third volume of the messages of the book of Revelation coming out This is the second volume of the messages of the book of Revelation a third volume awaits There will be explanations in detail about the plagues of seven trumpets the plagues of seven bowls the white throne judgment and heaven I wish you will all read these books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end God bless you all

Reading Revelation Joseph L. Trafton, 2005 Trafton has produced a clear understandable insightful reading of the book of Revelation not an easy task for a book that has left many readers puzzled and confused One of the particular strengths of Trafton s commentary is his close attention to the structure of John s work and the internal connections between various passages of the book Readers will also benefit from Trafton s identification of John s extensive indebtedness to the Hebrew Bible for much of his imagery and ideas Mitchell G Reddish O L Walker Professor of Christian Studies and Chair Department of Religious Studies Stetson University

*Revelation* Grant R. Osborne, 2023-10-17 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne's commentary on Revelation interprets the text while also introducing readers to the perspectives of contemporary scholarship in a clear and accessible manner Osborne begins with a thorough introduction to Revelation and the many difficulties involved in its interpretation He discusses authorship date of writing and the social and cultural setting of the work He also examines elements that complicate the interpretation of apocalyptic literature including the use of symbols and figures of speech Old Testament allusions and the role of prophetic prediction Osborne surveys various approaches commentators have taken on whether Revelation refers primarily to the past or to events that are yet future Rather than exegeting the text narrowly in a verse by verse manner Osborne examines larger sections in order to locate and emphasize the writer's central message and the theology found therein Throughout he presents his conclusions in an

accessible manner When dealing with particularly problematic sections he considers the full range of suggested interpretations and introduces the reader to a broad spectrum of commentators Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective      **Revelation Abridged** Paul Brown,2021-06-17 This abridged commentary takes a highlighter to the whole book of Revelation like preparing for a school examination These highlighted words provide practical means for understanding the main points of God s words in improving daily life From complexity comes simplicity and elegance of the seven visions of Revelation Discover that the vision of Moses Tabernacle parallels the Lord s Prayer the vision of the Holy City parallels the Seven Days of Creation the vision of the Four Horsemen of the Apocalypse matches the vision of the Four Hallelujahs the vision of the Trumpets of Justice matches the vision of the Bowls of Mercy then climatically the middle Arch Keystone vision four marks all of God s creation as innocent perfection Supporting interfaith quotes come from the Jewish Tanakh the Islamic Quran and the Christian New Testament So instead of trying to understand geo political battlefields and theological labyrinths just sit back and contemplate a few clarified phrases from each of the seven major visions See also how the shepherd s Psalm 23 aligns as an uncomplicated summary of these seven visions From this new nondenominational viewpoint the book of Revelation becomes practical an archway to bring more peace to daily experience      *A Holy, Sacred and Divine Roll and Book* Philemon Stewart,2025-08-07 Reprint of the original first published in 1843 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

**Revelation** J. Ramsey Michaels,1997-09-22 Interpretations of the book of Revelation abound However many of these interpretations fail to take seriously what John saw and consequently fail to comprehend the value of Revelation to Christians in any age J Ramsey Michaels strives to recapture Revelation as a prophetic letter of testimony a testimony relevant to the church today      **Angels Eyes** James Morris,2008-02 About the Book There are many myths and ideas about the book of Revelation Angels Eyes addresses many of those popular beliefs The intent of Angels Eyes is not just to entertain but to challenge one and all to dig deeper into scripture to find real truth Inside the book you will find most of the questions people ask and or quarrel about It deals with things like the rapture the mark of the beast and the timelines and the volume of events of Revelation Angels Eyes WOW what a great simple yet intense study of the book of Revelation from the bible I have read Revelation s many times in my life and heard many interpretations Angels Eyes is the most shocking up to date interpretation of our very own lives To get this information of the bible is truly great news to me I have read Angels Eyes three times so far It s a story puzzle amazing as it folds time in and out to complete the history of itself The personal opinions and back up scriptures made me study more as I read through this amazing and great book Revelation is a powerful blessing to read and to have extra mind opening thoughts truly enriches ones life Angels Eyes can help you understand where we are in the scriptures at this time You ll never be the same after reading Angels Eyes This book is amazing powerful enlightening

shocking scary truthful and helpful This is a great bible study of Revelation This book was started before Sept 11 and finished some time after There fore I felt the need to comment on those events as to what they could represent I hope people will enjoy reading this book as much as I did writing it To God be the glory      Revelation Unsealed James L.

Resseguie,2021-10-11 This narrative commentary systematically examines John s Apocalypse from a narrative critical perspective After an introduction to narrative criticism the volume focuses on point of view setting rhetoric character and plot in the Book of Revelation The rhetorical and symbolic significance of numerals are discussed at length as are the multifaceted characters in the book such as demonic animals locust beasts dragon birds and apocalyptic animals lamb four living creatures The symbolic significance of topographical architectural agricultural and other settings is emphasized The final chapter of the book is a summary of some of the major theological themes of Revelation The volume provides a useful methodology for the study of a much disputed book of the Bible      *CRAWFORD STANDARD BIBLE* DR. PAUL

CRAWFORD,2025-09-01 Welcome to the Crawford Standard Bible a modern English translation meticulously crafted to bridge the historical reverence of the King James Version with the clarity and accessibility demanded by contemporary readers Our Vision The King James Version KJV a masterpiece of English literature has profoundly shaped the spiritual landscape for centuries Its poetic language and enduring influence are undeniable However as language evolves certain archaic words grammatical structures and idioms can pose significant barriers to understanding for a modern audience The Crawford Standard Bible seeks to honor the KJV s legacy by preserving its inherent beauty and theological faithfulness while rendering its profound truths in language that resonates with today s reader A Faithful and Accessible Translation This translation is not a paraphrase nor is it a reinterpretation of the biblical text Our primary aim has been to provide a faithful and accurate rendition of the original Hebrew Aramaic and Greek manuscripts informed by the interpretive tradition embodied by the KJV We have meticulously re examined every verse striving to convey the precise meaning of the original while employing modern vocabulary and sentence structures      Growing in Prayer Mike Bickle,2014 Prayer is a high calling

and an amazing privilege and being a person of prayer is one of the most important callings in your life Just think about this for a moment We can talk with the God of the universe And we can know that not only does He listen attentively and with great affection but also He responds by revealing His heart giving us direction blessing our circumstances releasing justice and much more      **Revelation** Gordon D Fee,2013-04-25 Revelation is a book that many Christians find confusing due to the foreign nature of its apocalyptic imagery It is a book that has prompted endless discussions about the end times with theological divisions forming around epicenters such as the rapture and the millennium In this book award winning author Gordon Fee attempts to excavate the layers of symbolic imagery and provide an exposition of Revelation that is clear easy to follow convincing and engaging Fee shows us how John s message confronts the world with the Revelation of Jesus Christ so that Christians might see themselves as caught up in the drama of God s triumph over sin evil and death Fee draws us into

the world of John and invites us to see the world through John's eyes as the morbid realities of this world have the joyous realities of heaven cast over them. In this latest installment in the New Covenant Commentary Series we see one of North America's best evangelical exegetes at his very best. **Unveiling Revelation** James L. Davis, 2009. *Revelation Verse by Verse* Grant R. Osborne, 2016-11-09. Revelation is like no other book in the New Testament. Its bizarre images need explaining even for seasoned Bible readers, but when we turn to biblical scholars we find that they don't all agree. In *Revelation Verse by Verse* Grant R. Osborne offers a clear exposition of the book that takes seriously both its first-century context and what it means today. Where he disagrees with other interpretations of particular images, he briefly mentions them but remains focused on the text throughout. Rather than being a book that stirs up fear, Revelation is instead a hopeful and even devotional book focused on the certainty of God's bringing his plans to completion, the futility of Satan and his plans, and the glory of the Lamb. *Revelation Verse by Verse* is the first volume in the Osborne New Testament Commentaries, a new series from noted Bible scholar Grant R. Osborne directed toward pastors and committed laypeople. *Abingdon New Testament Commentaries: Revelation* Leonard L. Thompson, 2011-09-01. In this lucid exposition, an acclaimed interpreter shows that the book of Revelation is to be read as a unified work of religious poetry aimed at extricating Christians from Roman society in which they were living quietly and peacefully. Thompson considers connections between John's negative view of society and his social location as a wandering prophet, compares his visionary experience with that of other prophets and seers, especially in Judaism, notes similarities between the depictions of Christ and Satan in Revelation and portraits of heroes and demons in other writings of the time, and emphasizes that John's vision of heaven and the future were intended to infuse everyday Christian life with confidence in the goodness and ultimate triumph of God. Thompson's commentary on Revelation is written in an engaging literary style and, by presenting perceptive comparisons and contrasts with both Greco-Roman and Jewish literature, canonical and non-canonical, he highlights the distinctive features of this book. He deals effectively with the rhetorical and even the epistemological dimensions while offering an illuminating and convincing proposal for the structure and thematic development of Revelation. In short, it is a most revealing and insightful analysis of this challenging early Christian writing as it shows how this book addresses perennial human questions about divine purpose and human destiny. Howard Clark Kee. **The Flaming Sword**, 1901. *Revelation 6-16, Volume 52B* Dr. David Aune, 2017-12-12. The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.
