life in exile in the Babylonian Persian and Median realms He did so through strategic prevailing and sustained prayer and fasting Daniel 10 1 21 11 1 He battled in prayer and fasting until the satanic princes of Persia and Greece which were opposing God's purposes were overcome overturned and overthrown We send this second prayer volume out with a cry to the Lord that He should use it to teach the church of the Firstborn the intricacies of intercession and spiritual warfare In this age of atheism agnosticism humanism espionage robots sophisticated gadgets and the Internet there was never a time we needed intercession and spiritual warfare like now Life-Changing Thoughts on Fasting (vol. 1) Zacharias Tane Fomum, 1900 If you are feeling moved to fast this book will get you through Fasting is central to any work and to any move of God The missionary responsibility of blocking people from going to hell is carried out first of all in fasting Few have experienced extended fasts several times a year of from 48 hours per week and from 21 to 40 days duration with such results as Dr Fomum and believers in some of the churches in Cameroon writes Dr Lester Sumrall in his foreword to The Ministry of Fasting which is one of the best available books on the topic Life Changing Thoughts on Fasting Volume 1 by Z T Fomum contains inspiring and practical information that will melt all your suspicions about fasting It will open your eyes to see the centrality of fasting to see the necessity of fasting to see the benefits of fasting and to actually fast Prayer is a wonderful thing but fasting is something else Read on *The Complete Works of Zacharias Tane Fomum on Prayer (Volume 3)* Zacharias Tane Fomum, 1901 The Complete Works of Zacharias Tane Fomum on Prayer Volume 3 contains the following books 1 Life Changing Thoughts on Prayer Volume 2 2 The Ministry of Supplication 3 Moving God Through Prayer 4 Waiting on the Lord in Prayer 5 Prayer Crusades Volume 1 The life changing thoughts on prayer contained in this volume are like the pings that get the believer to detect the will and leading of God in various domains of prayer Each one of the thoughts is an entire topic to be pursued explored and developed to the fullest As you go through these thoughts you are travelling with the author along his journey around the world doing God's work of ministry while in the midst of prayer Supplication is handled from the glaring example of Hannah who having been barren for a long while desperately asked God for a baby as her prized treasure to be given back to Him In supplication the supplicant is so desperate that he will not rest and will not receive No from God for an answer This goes on till the point of breakthrough Those who make requests while keeping other options open are not supplicating With supplication there is one request no options and no plan B The reader will also learn how to move God through prayer There is no way anyone can move God through prayer if he does not know the perfect will of the Lord about what he is praying for It is those who know God's will and pray that will back to Him that moves Him through to answer and to do things in response to prayer God is not obliged to answer prayer that is not in tandem with His will The dynamics of waiting on the Lord in prayer are not the tools of a rapacious world that wants instantaneous answers to prayer One may have to abide in ceaseless prayer before the Lord about an issue for a year ten years or more and not give up until the day the Lord answers or gives assurance that He will surely answer This volume ends with the author's practical life of

prayer crusades praying with his people Prayer crusades range from 8 hours 10 hours or more of personal or group prayer daily for periods ranging from 21 days to 40 days and beyond In this final part of the volume the reader finds himself in the prayer crusades praying with the author and his people
