

# the climb

they say that when you're broken  
this is how the light gets in  
but what if all the cracks  
are letting out the light within

they say it makes you stronger  
but at first it makes you weak  
the way you face the mountain base  
before you climb its peak

they say to break is brave  
and yet your mind is full of dread  
you're not overwhelmed by courage  
but by helplessness instead

but admitting you are breaking  
is far braver than you know  
and remember, from the bottom  
there is just one way to go

see I think they mean it isn't just  
that breaking makes you strong  
but the way you use the embers  
of your will to carry on

it's triumph over trauma  
and it's healing after hurt  
it's rising from the ashes  
with a new-found sense of worth

so find yourself a candle  
and allow its tiny spark  
to ignite you back to life  
and put the fire back in your heart

and grant yourself compassion  
for the times that you feel weak  
rest until you're strong enough  
to get back on your feet

yes I know that when you're broken  
you have only threads of hope  
but tie them to the mountain  
like your personal safety rope

then gather at the bottom  
with the summit high above  
and take a breath, then take a step  
the only way is up
