The New Book Jonathan Bratt Carle, 2023-04-24 In The New Book poet and theologian Jonathan Bratt Carle explores the significance of Christian mysticism as it pertains to belief in a Divine Being and the aspects of human awareness which transcend time and space Is the universe a creation If so are human beings loved If so can this love heal us transform us To what end Drawing on imagery from classic Christian mystics and thinkers such as Emily Dickinson C S Lewis and Fr Thomas Keating the author wrestles with his own meditative experience of the reality of God and the necessity of reconciling that reality with our human ways of being in the world These poems invite the reader into their own reflections hoping that paths may open toward new revelation

Catalogue of Choral Music Arranged in Biblical Order James H. Laster, 1996-06-11 This second edition of Laster's Catalog combines in one volume the listings from the first catalog with the voluminous material that has appeared since 1973 more than doubling the number of citations It is designed as an aid for the church musician and or pastor seeking to plan unified worship services It will also be of use to those church musicians who follow the Liturgical Calendar and plan music appropriate to the appointed lessons as well as a source for non church choir directors who would like to locate choral settings based on a particular passage from Scripture Entries are arranged from Genesis through Revelation Each main entry citation provides the biblical reference book chapter and verse as well as a reference to additional passages from Scripture used in the anthem The composer arranger or editor and the title are listed as they appear on the octavo Information on voicing solos and instrumental accompaniment is noted the name of the publisher the most recent date of publication and the octavo number appear at the end of each citation where information on instrumental parts other versions of the same title and collections where the work might appear are also listed Composer and title indexes round off the work
