

PATROL GUIDE

Section: Citywide Incident Management

Procedure No: 228-02

CIMS: PRIMARY AGENCY MATRIX

DATE ISSUED:
08/01/13

DATE EFFECTIVE:
08/01/13

REVISION NUMBER:

PAGE:
1 of 2

PURPOSE

To list specific incident types and designate which Command Element structure will be utilized, i.e., Single Command or Unified Command; and, which Agency or Agencies have Command Element responsibilities for that particular incident type, i.e., are designated Primary Agency or Primary Agencies.

The CIMS "Primary Agency Matrix" lists specific incident types and designates:

- Which Command Element structure will be utilized, i.e., Single Command – Command Element or Unified Command – Command Element; and,
- Which Agency will be designated Primary Agency in a Single Command – Command Element; or, which Agencies will be designated Primary Agencies in a Unified Command – Command Element.

CIMS PRIMARY AGENCY MATRIX – UNIFIED COMMAND MATRIX

INCIDENT TYPE	PRIMARY AGENCIES	POTENTIAL PRIMARY AGENCIES / SUBJECT MATTER EXPERTS * *
Aviation Incident	FDNY, NYPD	PANYNJ, USCG, NTSB
Chemical, Biological, Radiological or Nuclear (CBRN) / HazMat Incident*	NYPD, FDNY	USCG, DEP, DOHMH
Citywide Public Health Emergency	DOHMH, NYPD, FDNY	HHC, GNYHA
Explosion	FDNY, NYPD	DDC, DOB, HPD
Natural Disaster / Weather Emergency	OEM, NYPD, FDNY, DOT, DSNY	DDC, DEP, DOB, DOHMH, Con Ed, Keyspan / LIPA
Rail Incident	FDNY, NYPD	MTA, PANYNJ, NJT, Amtrak
Utility Incident: Electric	NYPD, FDNY	Con Ed, Keyspan / LIPA
Utility Incident: Gas	NYPD, FDNY	Con Ed, Keyspan / LIPA
Utility Incident: Steam	NYPD, FDNY	Con Ed, Keyspan / LIPA
Utility Incident: Water / Wastewater	DEP, FDNY, NYPD	Con Ed, Keyspan / LIPA
Utility Incident: Telecommunications	DOITT, NYPD, FDNY	Verizon

*CBRN / HazMat Incident

NYPD will be the Primary Agency (Incident Commander) at CBRN / HazMat incidents. If NYPD determines there is no actual or suspected criminal activity or terrorism, a Unified Command will be implemented.

The Operations Section will be a Unified Operations Section based on agency Core Competencies in all circumstances, with NYPD responsible for overall site management, and assessment and investigations for criminal activity or terrorism, and with FDNY responsible for Life Safety Operations (search for and rescue injured; and provide pre-hospital emergency medical care and transport; and address immediate life safety hazards to the public) and mass decontamination. For chemical incidents, DEP will make a final assessment of the hazard, adjust or set "hot", "warm" and "cold" zones, and direct all mitigation efforts. For biological or radiological incidents, DOHMH will make a final assessment of the hazard, adjust or set "hot", "warm" and "cold" zones, and direct all mitigation efforts.

The Nypd Patrol Guide Manual

L Darling-Hammond

The Nypd Patrol Guide Manual:

Police Practices and Civil Rights in New York City Mary Frances Berry,2000-12 On May 26 1999 the U S Commission on Civil Rights conducted a hearing in New York City to examine current police practices police community relations civilian complaints NYPD Confidential Leonard Levitt,2009-07-21 For years the police commissioner and the mayor of New York City have duked it out for publicity credit and power Some have translated their stardom into success after leaving office while others have been hung out to dry In the battle for control of the country s most powerful police force these high status government officials have often chosen political expediency over public honesty The result is a legacy of systemic corruption and cover ups that is nothing less than shocking Respected journalist Leonard Levitt has covered the NYPD for New York Newsday and the New York Post among other papers His columns have made him persona non grata in police headquarters In NYPD Confidential he reveals everything he s discovered throughout his decades long career With amazing details of backroom deals and larger than life powerbrokers Levitt lays bare the backstabbing power grabs and chaotic internal investigations that have run the NYPD s reputation into the ground in the past and the forces conspiring to do so once again

The Cambridge Handbook of Policing in the United States Tamara Rice Lave,Eric J. Miller,2019-07-04 A comprehensive collection on police and policing written by experts in political theory sociology criminology economics law public health and critical theory *Comparing Black Deaths in Custody, Police Brutality, and Social Justice Solutions* Simmons, Janelle Christine,2023-05-16 In today s modern era it has never been more crucial to ensure the safety of vulnerable populations in particular Black individuals in custody Further study is required to implement best practices and strategies that improve protection Comparing Black Deaths in Custody Police Brutality and Social Justice Solutions describes the actions that lead to the death of Black people while they are in the process of being detained by a law enforcement agent or are already detained This publication focuses on three core countries America Australia and South Africa where Black deaths in custody appear to occur at higher rates Covering key topics such as racism prejudice and slavery this reference work is ideal for industry professionals law enforcement officers government officials policymakers researchers scholars academicians practitioners instructors and students

Police Practices and Civil Rights in New York City United States Commission on Civil Rights,2000

Evaluation of the New York City Police Department Firearm Training and Firearm-Discharge Review Process Bernard D. Rostker,Lawrence M. Hanser,William M. Hix,Carl Jensen,Andrew R. Morral,2008-06-09 In January 2007 New York City Police Commissioner Raymond W Kelly asked the RAND Corporation to examine the quality and completeness of the New York City Police Department s firearm training program and identify potential improvements in it and in the police department s firearm discharge review process This monograph reports the observations findings and recommendations of that study

Policing Major Events James F. Albrecht,Martha Christine Dow,Darryl Plecas,Dilip K. Das,2014-11-20 Whenever a major event requires police intervention questions are raised about

the nature of the police response Could the police have prevented the conflict been better prepared reacted more quickly Could they have acted more forcefully or brought the altercation under control more effectively Based upon real case studies of events from all over the world this volume explores the complex set of factors comprising the policing of major events Topics covered include Police procedures in Serbia in response to sporting events and violence The 2010 World Cup in South Africa as a model of best practice in governance structures along with the region s struggles in routine policing initiatives Security operations at the 2010 Winter Olympic Games in Canada and the Summer Olympic and Paralympic Games in London in 2012 Community involvement to curb terrorist insurgency in North Eastern Nigeria Governmental response to Hurricane Katrina in Louisiana and Texas Revisions made to NYPD protocols following the September 11 attacks Policing strategies for major events on Aboriginal and tribal lands across Canada Other topics include the police protestor relationship and low profile versus high profile policing strategies in crowd control the growing strategy of private security in working with public police forces and enhancing public safety in post conflict regions The concepts presented in Policing Major Events Perspectives from Around the World will enable police departments to improve their readiness for policing major events across a diverse set of events and socio political contexts This book is a co publication with the International Police Executive Symposium

Special Topics in Policing James F. Albrecht, Garth den Heyer, 2024-10-07 This book comprehensively examines five key areas related to crisis management in policing These specific issues include Understanding contemporary terrorism and homeland security threats Effective counter terrorism strategies Practical crisis planning and management Demonstration and riot control Dealing with police related stress and PTSD The book chapters present a global multi dimensional approach to examine these critical policing issues while analyzing them through sociological and practical lenses It proposes policy recommendations to promote optimal police service delivery professionalism and organizational effectiveness during major crises and large scale events In addition this book investigates police related stress with the goal of promoting optimal police officer health and wellness It is ideal for policing professionals policymakers and researchers

Rendered Safe Jeff Ingber, 2019-11-26 *Rendered Safe* centers on the remarkable life of former NYPD Bomb Squad Detective Donald Sadowy In the aftermath of the February 1993 World Trade Center bombing the most devastating terrorist attack on the United States to that point Sadowy risked his life to search for evidence in the shattered and dangerous sub basement There he discovered a piece of chassis frame that contained a VIN number which enabled law enforcement to catch the perpetrators just in time The massive investigation and recovery effort that followed is revealed through Sadowy s recollections as well as those of a number of other law enforcement agents many never before told The World Trade Center bombing designed to topple the Twin Towers presaged 9 11 On that day Sadowy defied overwhelming odds to survive being buried alive under the rubble of the collapsed North Tower In Forrest Gump like fashion during his career Sadowy was an astounding magnet for many other significant events and persons He served for two years

as personal bodyguard for U N Secretary General Kurt Waldheim During his 16 years in the NYPD Bomb Squad he was involved in the Abortion Bomber case the investigation of TWA flight 800 global intelligence missions the handling of a multitude of improvised explosive devices and the protection of key global figures such as Mikhail Gorbachev and Fidel Castro At the end of his career while serving in the U S Marshal s office Sadowy interacted with notables such as John Gotti Jr Based on extensive and exclusive interviews with a wide range of officials Rendered Safe takes the reader into the life of a bomb technician and provides a tour of many of the most noteworthy events of recent decades **Fight the Power**

Clarence Taylor,2021-04-01 A story of resistance power and politics as revealed through New York City s complex history of police brutality The 2014 killing of Michael Brown in Ferguson Missouri was the catalyst for a national conversation about race policing and injustice The subsequent killings of other black often unarmed citizens led to a surge of media coverage which in turn led to protests and clashes between the police and local residents that were reminiscent of the unrest of the 1960s Fight the Power examines the explosive history of police brutality in New York City and the black community s long struggle to resist it Taylor brings this story to life by exploring the institutions and the people that waged campaigns to end the mistreatment of people of color at the hands of the police including the black church the black press black communists and civil rights activists Ranging from the 1940s to the mayoralty of Bill de Blasio Taylor describes the significant strides made in curbing police power in New York City describing the grassroots street campaigns as well as the accomplishments achieved in the political arena and in the city s courtrooms Taylor challenges the belief that police reform is born out of improved relations between communities and the authorities arguing that the only real solution is radically reducing the police domination of New York s black citizens **Reasonable Use of Force by Police** David A. May,James E.

Headley,2008 Whether or not to use force is the most serious decision and one of the most significant interactions law enforcement officers can have with citizens The decisions made by political and administrative officials when they determine matters of policy or the decisions made by individual officers in split seconds may be of life or death importance The determination of the proper use of force by law enforcement at both administrative and individual levels is crucial for both law enforcement and for the public to maintain order protect society enforce just laws and reasonably respect and protect the rights of civilian citizens Typically a successful use of force accomplishes an actual seizure within the meaning of the Fourth Amendment and therefore seizures are examined as Fourth Amendment issues in this book The most basic and generalizable legal standard for the use of force is reasonableness and this book examines the reasonableness of the use of force in a number of situations both real and hypothetical Reasonable Use of Force by Police is intended for use in police training police departments universities and by anyone interested in understanding the standards of reasonable use of force by police and other law enforcement officers Minnesota Law Review ,2014-06 *Document Retrieval Index* ,1974

The Secret Files: Bill Deblasio, The NYPD, and the Broken Promises of Police Reform Micheal Hayes,2025-05-13

An unprecedented breakdown of the NYPD's powerful network of police unions, pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability. For readers of long form hard hitting journalistic exposés like *We Own This City* a compelling look at how we do and don't hold police responsible in America by an award winning progressive reporter covering the NYPD police beat. In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of officers with severe misconduct charges to remain on the force. In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans. While de Blasio may have suffered a political setback it's New Yorkers who are the true victims of this failure to deliver accountability and transparency. The state has a law that specifically prevents the public from learning about concealed police records. New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted, brutalized and murdered with near impunity. Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough. He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police.

Individual Employment Rights Cases, 1995 **The 9/11 Commission Report**
National Commission on Terrorist Attacks upon the United States, Thomas H. Kean, Lee Hamilton, 2004-07
Final report of the National Commission on Terrorist Attacks upon the United States *Cop Cop* Mac Muir, Greg Finch, 2025-04-29

In the vein of *Evicted* and *Locking Up Our Own* comes a seminal work that delves deep behind the Thin Blue Line of policing and police misconduct to demonstrate what really goes on when you try to hold the police accountable. How often do you think about the police? Who do you think of? Columbo? Chief Wiggum? Derek Chauvin? Do you think of just one officer or do you think of the police as an institution? From movies and television to everyday life a police presence looms over most conflict. Today we know this to be most true for Black Americans for whom the suspense of policing is constant. And too often the argument over dinner devolves into a 9 1 1 call, blue and red lights and possibly a door rammed open. Some of us are watched by the police and others are chased. But if there was a defining feature of the 2020 protests over the murder of George Floyd it was the collective confusion about how we got to this point. Policing it seemed had become as ahistorical as it was brutal. Despite fragmented coverage about police unions, militarization and systemic racism America remained hazy on the details of what cops had been doing all along. There is a Blue Wall and ways to get behind it. The authors of this book, Anon 1 and Anon 2, are senior investigators of a government agency tasked with policing the police in New York City. They're our eyes on the inside and this book will take us into their world. *COP COP* follows the web of real cases that the authors investigated over several years inside the Civilian Complaint Review Board. As they investigate everything from offensive language and chokeholds to shootings the larger investigation builds into their argument for six simple solutions to fix American policing. Readers will come away with a new vantage point as well as the tools of an investigator. By combining their unique perspectives as police

misconduct investigators with a synthesized history of policing this book offers newfound insights into what policing really looks like what the problems are and what practical steps are necessary to create a criminal justice system that is truly just

Combating Terrorism in the 21st Century Joseph R. Rudolph Jr., William J. Lahneman, 2022-09-27 This combination A Z encyclopedia and primary document collection provides an authoritative and enlightening overview of U S anti and counterterrorism politics policies attitudes and actions related to both foreign and domestic threats with a special emphasis on post 9 11 events This book provides a compelling overview of U S laws policies programs and actions in the realms of anti and counterterrorism as well as comprehensive coverage of the various domestic and foreign terrorist organizations threatening America including their leaders ideologies and practices These entries are supplemented with a carefully selected collection of primary sources that track the evolution of U S anti and counterterrorism policies and political debate These documents will not only illuminate major events and turning points in America s fight against terror both foreign and homegrown but also help readers understand debates about the effectiveness morality and constitutionality of controversial policies that have either been implemented or proposed from waterboarding to targeted assassination to indefinite incarceration at Guant namo Bay In addition this resource shows how political controversies over anti and counterterrorism strategies are spilling over into other areas of American life from debates about privacy rights government surveillance and anti Muslim actions and beliefs to arguments about whether U S firearms policies are a boon to terrorists

Misdemeanorland Issa Kohler-Hausmann, 2018-04-03 An in depth look at the consequences of New York City s dramatically expanded policing of low level offenses Felony conviction and mass incarceration attract considerable media attention these days yet the most common criminal justice encounters are for misdemeanors not felonies and the most common outcome is not prison In the early 1990s New York City launched an initiative under the banner of Broken Windows policing to dramatically expand enforcement against low level offenses *Misdemeanorland* is the first book to document the fates of the hundreds of thousands of people hauled into lower criminal courts as part of this policing experiment Drawing on three years of fieldwork inside and outside of the courtroom in depth interviews and analysis of trends in arrests and dispositions of misdemeanors going back three decades Issa Kohler Hausmann argues that lower courts have largely abandoned the adjudicative model of criminal law administration in which questions of factual guilt and legal punishment drive case outcomes Due to the sheer volume of arrests lower courts have adopted a managerial model and the implications are troubling Kohler Hausmann shows how significant volumes of people are marked tested and subjected to surveillance and control even though about half the cases result in some form of legal dismissal She describes in harrowing detail how the reach of America s penal state extends well beyond the shocking numbers of people incarcerated in prisons or stigmatized by a felony conviction Revealing and innovative *Misdemeanorland* shows how the lower reaches of our criminal justice system operate as a form of social control and surveillance often without adjudicating cases or imposing formal punishment **The**

9/11 Commission Report National Commission on Terrorist Attacks, 2011-05-16 Nearly three thousand people died in the terrorist attacks of September 11, 2001. In Lower Manhattan, on a field in Pennsylvania, and along the banks of the Potomac, the United States suffered the single largest loss of life from an enemy attack on its soil. In November 2002, the United States Congress and President George W. Bush established by law the National Commission on Terrorist Attacks Upon the United States, also known as the 9/11 Commission. This independent bipartisan panel was directed to examine the facts and circumstances surrounding the September 11 attacks, identify lessons learned, and provide recommendations to safeguard against future acts of terrorism. This volume is the authorized edition of the Commission's final report.

The Nypd Patrol Guide Manual Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**The Nypd Patrol Guide Manual**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve to the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
