The Omer Making Our Life Count Salvation Comes Book 2:

The Book of Revelation Bishop Audrey Drummonds Ph.D.,2015-11-30 The Bible is a book written by God and the formation of His family Our believing knowing and understanding are the revelation of Christ already in us which must be squeezed and shaped into His image so that when others see us they see their Father God is looking for his sons to do this The Book of Revelation reveals Christ in us which must be manifested as the body with Jesus as the head in order for the return of the Lord to be revealed This book is the instruction of the spiritual process that must take place individually and then corporately in each child of God to walk in the authority and power as a son What he created in spirit must come forth in the flesh with his image and likeness We must know in our heart that we are an offspring a portion of the original Jesus has been blowing the sound of our jubilee since he rose from the grave He is waiting for us to hear this sound and enter into his rest We have the ability today to know the power of his resurrection while in our natural body The Book of Revelation tells us how God is looking for His sons He created in the beginning to take dominion and authority The Book of Revelation reveals Christ in us who must be manifested as His body with Jesus as the head When Jesus said It is finished was he just making a way for personal salvation with God or was there a bigger picture John 14 12 says Verily verily I say unto you he that believeth on me the works that I do shall he do also and greater works than these shall he do because I go unto my Father For over 2000 years the body of Christ has been liken to kings and lords hiding in a cave waiting for a someday when they get to heaven to receive their inheritance as a son of God When Jesus died he gave us the ram s horn the shofar to declare that our JUBILEE is here NOW for us to receive The Book of Revelation teaches us how to hear the sound of this horn the voice of the Father which brings hope and challenge for us to open the doors to our true identity as a son of God It will set us free from the captivity and bondages in our lives as we find out that as He is so are we today in this world with His power and His authority **The Christian Evangelist** ,1902 *Learning Messiah* Edjan Westerman,2018-09-27 Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God s stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God s way The Holocaust made us realize that our de Jew ized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God s way anew and to walk in it **The Independent** ,1878 *The Mennonite* ,1925 **Herald of Gospel Liberty** Elias Smith,1903 *The Gospel Trumpet* ,1914 **The Morning Star**
