Chris Willows, Corporate Communications Director, BMW Great Britain. BMW is the most remarkable phenomenon to hit the auto industry in a generation. Celebrated for its luxury sports cars, motorcycles and aero engines in the pre-war era, it squandered its glamorous heritage in the 1950s; on its knees and near bankrupt, it was rejected as a lost cause when offered by desperate banks to Mercedes-Benz. But thanks to a wealthy German aristocrat, a brilliant engineer and a young and inspirational manager, Mercedes would soon regret not having scooped up the once glorious firm pioneering the concept of the compact, high-quality sports saloon. The visionary new team systematically built BMW into the spectacular success we know today. Through the most expressive medium of all, the cars themselves, *The Complete Book of BMW* tells the story of one of the most
