Some Abstinence Programs Mislead Teens Report Says:

Sexual Exploitation of Teenagers Jennifer Ann Drobac, 2016-02-02 When we consider the concept of sexual abuse and harassment our minds tend to jump either towards adults caught in unhealthy relationships or criminals who take advantage of children But the millions of maturing teenagers who also deal with sexual harassment can fall between the cracks When it comes to sexual relationships adolescents pose a particular problem Few teenagers possess all of the emotional and intellectual tools needed to navigate these threats including the all too real advances made by supervisors teachers and mentors In *Sexual Exploitation of Teenagers* Jennifer Drobac explores the shockingly common problem of maturing adolescents who are harassed and exploited by adults in their lives Reviewing the neuroscience and psychosocial evidence of adolescent development she explains why teens are so vulnerable to adult harassers Even today in an age of increasing public awareness criminal and civil law regarding the sexual abuse of minors remains tragically inept and irregular from state to state Drobac uses six recent cases of teens suffering sexual harassment to illuminate the flaws and contradictions of this system skillfully showing how our current laws fail to protect youths and offering an array of imaginative legal reforms that could achieve increased justice for adolescent victims of sexual coercion

Reproductive Politics in the United States Kimala Price, 2021-12-30 *Reproductive Politics in the United States* is a concise accessible and engaging introduction to what continues to be a contentious and polarizing topic in the United States Focusing on the current debates controversies and realities of reproductive justice this text seeks to examine the historical social and cultural forces that shape those politics Making use of an explicitly feminist framework the book analyzes how the intersections of gender race ethnicity class sexuality and other markers of difference are implicated in protest and policy This is a primer for Women's and Gender Studies students and for those coming to the topic for the first time

Behavioral Interventions for Prevention and Control of Sexually Transmitted Diseases Sevgi O. Aral, John M. Douglas, 2007-07-19 Before AIDS the role of behavioral interventions in preventing transmission of sexually transmitted diseases was acknowledged in text books and journals but rarely promoted effectively in public health practice Informed by a comprehensive knowledge of behavioral theory intervention methods and affected populations the authors of this important book examine the central role of behavioral interventions in combating STDs The book addresses the complexities and social contexts of human behaviors which spread STDs the cultural barriers to STD education ranging from conservative mores to stay out of my bedroom libertarianism and the sociopolitical nuances surrounding treatment Over forty contributors offer a practical appraisal of what is being done now and what can be improved such as an overview of current behavioral and biomedical interventions for STD prevention and control a discussion of what works for individuals groups and communities up to date thinking about such traditional prevention approaches as partner notification and health care seeking STD prevention strategies with high risk populations including drug users gay men teenagers incarcerated persons and persons with repeat infections the state of prevention technology condoms vaccines the Internet ethical economic and policy issues in STD prevention applying intervention models to real world situations guidelines for program evaluation and improvement As STDs and AIDS remain top priorities for public health and private sector practitioners researchers and educators Behavioral Interventions for Prevention and Control of Sexually Transmitted Diseases gives a long neglected field the attention it deserves This authoritative resource is sure to influence public health practice and policy in an ever evolving social climate

A 21st Century Rationalist in Medieval America John Bice, 2007 Exploring the power of preaching to the converted this motivating collection challenges other atheists secularists agnostics and freethinkers to become vocal and involved in their own local media adding a rational voice to the daily dialogue taking place in newspapers across the country

Packaging Girlhood Sharon Lamb, Lyn Mikel Brown, 2025-06-25 The stereotype laden message delivered through clothes music books and TV is essentially a continuous plea for girls to put their energies into beauty products shopping fashion and boys This constant marketing cheapening of relationships absence of good women role models and stereotyping and sexualization of girls is something that parents need to first understand before they can take action Lamb and Brown teach parents how to understand these influences give them guidance on how to talk to their daughters about these negative images and provide the tools to help girls make positive choices about the way they are in the world In the tradition of books like Reviving Ophelia Odd Girl Out Queen Bees and

Wannabees that examine the world of girls this book promises to not only spark debate but help parents to help their daughters

Pregnancy and Power Rickie Solinger, 2005-11-01 A sweeping chronicle of women's battles for reproductive freedom A sweeping chronicle of women's battles for reproductive freedom throughout American history Pregnancy and Power explores the many forces social racial economic and political that have shaped women's reproductive lives in the United States Leading historian Rickie Solinger argues that a woman's control over her body involves much more than the right to choose an abortion Reproductive politics were at play when slaveholders devised breeding schemes when the U S government took Indian children from their families in the nineteenth century and when doctors pressed Latina women to be sterilized in the 1970s Tracing the diverse plot lines of women's reproductive lives throughout American history Solinger redefines the idea of reproductive freedom putting race and class at the center of the effort to control sex and pregnancy in America over time Solinger asks which women have how many children under what circumstances and shows how reproductive experiences have been encouraged or coerced rewarded or punished honored or exploited over the last 250 years Viewed in this way the debate over reproductive rights raises questions about access to sex education and prenatal care about housing laws about access to citizenship and about which women lose children to adoption and foster care Pregnancy and Power shows that a complete understanding of reproductive politics must take into account the many players shaping public policy lawmakers educators employers clergy physicians as well as the consequences for women who obey and resist these policies Tracing the diverse plotlines of women's reproductive lives throughout American history Solinger redefines the idea of reproductive freedom putting race and class at the center of the struggle to control sex and pregnancy in America

Fault Lines Gus diZerega, 2013-11-05 The United States is suffering its greatest upheaval since the Civil War politically economically socially religiously With elegant sweeping vision Gus diZerega explores the complex causes leading us to this point comparing them to giant fault lines that when they erupt create enormous disturbance and in time new landscapes He traces the disruption first to America's first countercultural movement originating in the antebellum South and coming into later conflict with the counterculture of the 60s that continues now in phenomena like Burning Man and second to the crumbling of the moral foundation birthed by the Enlightenment leading to today's nihilism But within the loss resides hope diZerega sees promise of a new society based more in equality sacred feminine values and spiritual

immanence Whether the prevailing oligarchy will abort this transformation is the question of our time This book enables those of us now living through it to understand the powerful forces shaping our lives and calling on us for a response

Unsung Heroines Ruth Sidel, 2006-04-28 This compelling book destroys the derogatory images of single mothers that too often prevail in the media and in politics by creating a rich moving multidimensional picture of who these women really are Ruth Sidel interviewed mothers from diverse races ethnicities religions and social classes who became single through divorce separation widowhood or who never married none had planned to raise children on their own Weaving together these women's voices with an accessible cutting edge sociological and political analysis of single motherhood today *Unsung Heroines* introduces a resilient resourceful and courageous population of women committed to their families holding fast to quintessential American values and creating positive new lives for themselves and their children What emerges from this penetrating study is a clear message about what all families two parent as well as single parent must have to succeed decent jobs at a living wage comprehensive health care and preschool and after school care In a final chapter Sidel gives a broad political economic analysis that provides historical background on the way American social policy has evolved and compares the situation in the U S to the social policies and ideologies of other countries *Citizenship, Education and Social Conflict*

Hanan A. Alexander, Halleli Pinson, Yossi Yonah, 2012-01-04 This volume provides new perspectives into the challenges of citizenship education in the age of globalization and in the context of multicultural and conflict ridden societies It calls on us to rethink the accepted liberal and national discourses that have long dominated the conceptualization and practice of citizenship and citizenship education in light of social conflict globalization terrorism and the spread of an extreme form of capitalism The contributors of the volume identify the main challenges to the role of citizenship education in the context of globalization conflicts and the changes to the institution of citizenship they entail and critically examine the ways in which schools and education systems currently address and may be able to improve the role of citizenship education in conflict ridden and multicultural contexts **Bashing Back** Wayne Besen R, 2013-01-11 The Best of Besen Bashing Back Wayne

Besen on GLBT People Politics Culture is a compilation of 72 columns from the outspoken GLBT activist and author of *Anything But Straight Unmasking the Scandals and Lies Behind the Ex Gay Myth* Funny provocative and informative this unique book puts a progressive spin on hot button topics in the political cultural and social arenas covering everything from AIDS and African Americans to Zach Stark Bashing Back presents an A to Z look at Besen's worldview on a wide range of topics including Bill O'Reilly Brokeback Mountain Ellen DeGeneres gay pride parades marriage rights Mary Cheney overhauling the gay movement religion and politics sports and homophobia The Passion of the Christ the pitiful state of TV news the Vatican's war on gays the World Trade Center and New Orleans Smart and funny Besen delivers a knockout punch to the notion that liberalism stands for nothing and progressive means passive From the author The columns I have chosen for this book touch on politics and people comedy and culture But most of all they are a strong defense of the liberal values

that have made this nation strong It is time we proudly stand up for what we believe in If we don't defend our values our opponents will define them Bashing Back is the first punch in a fight to take back our culture and restore progressive values for the good of the nation An excerpt from Bill O'Reilly Once upon a time I actually enjoyed The O'Reilly Factor While I almost always disagreed with him he was at least entertaining Lately however he has morphed into just another Bush mouthpiece The master of the No Spin Zone is suddenly spinning so hard he is in the Twilight Zone dizzy in his own deception He even had the audacity on CNBC to suggest that Fox isn't a conservative news outlet That's beyond spin If it were closer to Hanukkah I'd think O'Reilly was a dreidel My other problem with his show is that it's unnaturally obsessed with gay issues More gay people appear on The O'Reilly Factor than on Showtime's Queer as Folk I know that sounds strange coming from a gay columnist who has twice appeared on his show But it seems like he's had on every gay person in America to use as his personal political piñata When even gay activists are tired of watching gay segments it's time to find a new culture war issue Bashing Back is an invaluable compilation of Besen's best columns from Planet Out Gay.com and the Washington Blade It's an essential resource for longtime Besen readers and an entertaining introduction for newcomers

Reclaiming Our Future Cathy J. Cohen, 2005 *Why We're Liberals* Eric Alterman, 2008-03-13 The bestselling author and Newsweek columnist takes a characteristically irreverent look at the rampant mistreatment of liberals and liberalism The most honest and incisive media critic writing today National Catholic Reporter Eric Alterman is committed to restoring the liberal tradition to its honored place as the political philosophy of mainstream American citizens In this bracing and well documented counterattack on right wing spin and misinformation Alterman briskly disposes of the canards and false definitions that have been foisted upon liberals by the right and have been accepted unquestioningly by nearly everyone else The perfect post election book for all those who are ready to fight back against the conservative mudslinging machine and reclaim their voices in the political process *Why We're Liberals* brings clarity and perspective to the possibility of a new day in America *Condom Nation* Alexandra M. Lord, 2010-01-01 An award winning history of the U.S. Public Health Service's haphazard efforts to educate Americans about sex for more than a century Since launching its first sex ed program during World War I the Public Health Service has dominated federal sex education efforts Alexandra M. Lord draws on medical research news reports the expansive records of the Public Health Service and interviews with former surgeons general to examine these efforts from early initiatives through the administration of George W. Bush Giving equal voice to many groups in America middle class working class black white urban rural Christian and non Christian scientist and theologian Lord explores how federal officials struggled to create sex education programs that balanced cultural and public health concerns She details how the Public Health Service left an indelible mark on federally and privately funded sex education programs through partnerships and initiatives with community organizations public schools foundations corporations and religious groups With engaging and insightful analysis Lord explains how tensions among these organizations exacerbated existing

controversies about sexual behavior She also discusses why the Public Health Service s promotional tactics sometimes fueled public fears about the federal government s goals in promoting or not promoting sex education Award for the Public Understanding of Science 2010 British Medical Association s Board of Science First Prize Popular Medicine British Medical Association 2010 Book Awards **Slouching towards Gaytheism** W. C. Harris, 2014-04-01 Argues that homophobia will not be eradicated in the United States until religion is ended Slouching towards Gaytheism brings together two intellectual traditions the New Atheism and queer theory and moves beyond them to offer a new voice for gay Americans and atheists alike Examining the continued vehemence of homophobia in cultural and political debate regarding queer equality this unabashed polemic insists that the needs met by religion might be met more safely and less toxically by forms of community that do not harass and malign gay and lesbian Americans or impede collective social progress W C Harris argues that compromises with traditional religion no matter how enlightened or well intentioned will ultimately leave heteronormativity alive and well He explores a range of recent movements such as Dan Savage s It Gets Better project reparative ex gay therapy Christian purity culture and attempts by liberal Christians to reconcile religion with homosexuality and shows how these proposed solutions are either inadequate or positively dangerous According to the author the time has come for gaytheism leaving religion behind in order to preserve queer dignity rights and lives Lively original and serious this book is great fun to read One looks forward to how Professor Harris will skewer the next foe Paul Robinson author of Queer Wars The New Gay Right and Its Critics
