Content Analysis of Verbal Behavior Louis A. Gottschalk, Fernando Lolas, Linda L. Viney, 2012-12-06 The psychological states of patients with diabetes mellitus were compared with those of patients suffering from other chronic diseases and people with no diagnosed chronic diseases These states were assessed by applying content analysis scales to transcripts of their descriptions of their current experiences Analyses of the diabetics scale scores revealed a pattern characterized by much anxiety depression anger expressed both directly and indirectly together with feelings of helplessness The sources of anxiety which proved to be of most importance to them were fears of death and bodily mutilation as well as guilt and shame They experienced little sense of sharing with most people around them although they showed considerable enjoyment of close relationships with family and friends This pattern of psychological states did not vary with the sex of the patients or whether they were interviewed in a hospital or at home nor with recency of onset or multiplicity of health problems It was similar to the pattern of patients with other chronic diseases but differed significantly from that of the healthy group Acknowledgment The authors wish to acknowledge the contribution of Carol Preston to the collection and analysis of these data which were made available in part by patients of the Wollongong Hospital and members of the Illawarra Branch of the Diabetic Association of New South Wales References 1 Strong JA Baird JD 1971 Diseases of the endocrine system In Davidson S McLeod J eds The principles and practice of medicine

Critical Discourse Analysis Norman Fairclough, 2013-09-13 Bringing together papers written by Norman Fairclough over a 25 year period Critical Discourse Analysis represents a comprehensive and important contribution to the development of this popular field The book is divided into seven sections covering the following themes language in relation to ideology and power discourse in processes of social and cultural

change dialectics of discourse dialectical relations between discourse and other moments of social life methodology of critical discourse analysis research analysis of political discourse discourse in globalisation and transition critical language awareness in education The new edition has been extensively revised and enlarged to include a total of twenty two papers It will be of value to researchers in the subject and should prove essential reading for advanced undergraduate and postgraduate students in Linguistics and other areas of social science *Content Analysis* Klaus Krippendorff, 2013 Since the publication of the First Edition of *Content Analysis An Introduction to Its Methodology* the textual fabric in which contemporary society functions has undergone a radical transformation namely the ongoing information revolution Two decades ago content analysis was largely known in journalism and communication research and to a lesser extent in the social and psychological sciences Today content analysis has become an efficient alternative to public opinion research a method of tracking markets political leanings and emerging ideas a way to settle legal disputes and an approach to explore individual human minds The Third Edition of *Content Analysis* remains the definitive sourcebook of the history and core principles of content analysis as well as an essential resource for present and future studies The book introduces readers to ways of analyzing meaningful matter such as texts images voices that is data whose physical manifestations are secondary to the meanings that a particular population of people brings to them Organized into three parts the book examines the conceptual and methodological aspects of content analysis and also traces several paths through content analysis protocols The author has completely revised and updated the Third Edition integrating new information on computer aided text analysis and social media The book also includes a practical guide that incorporates experiences in teaching and how to advise academic and commercial researchers In addition Krippendorff clarifies the epistemology and logic of content analysis as well as the methods for achieving its aims **The Content Analysis Guidebook** Kimberly A. Neuendorf, 2017 Content analysis is a complex research methodology This book provides an accessible text for upper level undergraduates and graduate students comprising step by step instructions and practical advice **Corpora and Rhetorically Informed Text Analysis** David West Brown, Danielle Zawodny Wetzel, 2023-06-15 *Corpora and Rhetorically Informed Text Analysis* explores applications of rhetorically informed approaches to corpus research Bringing together contributions from scholars in a variety of fields it takes up questions of how theories and traditions in rhetorical analysis can be integrated with corpus techniques in order to enrich our understanding of language use variation and history The studies included in this volume shed light on areas as diverse as student academic writing political discourse and the digital humanities These studies all make use of a dictionary based tagger called DocuScope which recognizes tens of millions of words and phrases and slots them into categories based on their rhetorical functions While DocuScope provides a through line that both links the studies various analytical procedures and primes their rhetorical insights the volume is about more than the explanatory power of a single tool It demonstrates how rhetorically informed approaches can complement more established corpus methodologies
