The Graphic Standards Guide to Architectural Finishes ARCOM, The American Institute of Architects, 2003-03-24 From ARCOM and The American Institute of Architects A complete visual guide to choosing and using finish materials In this unique guide the authors of

MASTERSPEC and Architectural Graphic Standards join forces to offer architects vital single source access to the unbiased information they need to evaluate select and specify the best finish materials for any job. This powerful visual resource combines hundreds of illustrations from Architectural Graphic Standards with corresponding building material performance and specification information from AIA's MASTERSPEC published by ARCOM. Use this book during the schematic and design development phases of a project and as an indispensable aid for product selection and specification. Essential for architects, interior designers and building designers, this vital reference provides information to make informed decisions about specific design goals such as affordability, environmental friendliness, durability, fire resistance and esthetic success. Features include:

- Unique source of independent in depth building product performance information: the one source that gives you reliable building product information before you consult with manufacturers.
- Covers a full range of standard finish materials and includes selection criteria, details, typical product sizes and installation and maintenance data.
- Provides current standards based on research by government association and independent testing organizations as well as the input of experienced architects and specifiers.

Architectural Graphic Standards has served the design community for decades as a virtual bible for architectural detailing. MASTERSPEC Evaluations have long comprised one of the best resources available for building product selection and specification. Consolidating the strong points of both into this new desktop reference is an act of sheer brilliance.

**A Baker's Field Guide to Holiday Candy and Confections** Dede Wilson, 2010-05-07

Bittersweet, Chocolate Truffles, Spiced Pumpkin Pecan Fudge, Salt Water Taffy, Italian Nougat: there's something for everyone to love in this sweetest addition to the popular Baker's Field Guide series. Author Dede Wilson has gathered seventy-five recipes from around the world in this collection of festive and fun homemade treats to be enjoyed year-round. As in the previous books, each delicacy is photographed in full color and there's a clear description of how the candy should turn out and how each can be stored; she even notes which ones will survive best in the mail. A Baker's Field Guide to Holiday Candy Confections is arranged chronologically by holiday, including some holidays that you may never have heard of, such as National Licorice Day, to help bakers choose what to make for which occasion. But these sweets should not be saved only for holiday celebrations. Recipes include both classic candies and new twists on old favorites. Parents can make treats from their past, such as Sugarplums and Ribbon Candy, with their kids, as well as more adult morsels like Chocolate Walnut Rum Balls for themselves. Each recipe is broken down into simple, easy-to-follow steps and the tone is cheerful and encouraging, allowing cooks of all levels to succeed. The creative can try Good Luck Marzipan Pig and Rainbow Chocolate Fish; the romantic can enjoy Champagne and Cherry Heart Lollipops; and everyone will agree that the Star Shaped Marshmallows taste far better than anything bought in a bag at the grocery store. Armed with this book and a few simple ingredients, bakers everywhere can create unexpected, inspired delights for any occasion.
