the Western Front settled into a battle of attrition with a trench line that would change little until 1917 Meanwhile on the Eastern Front the Russian army was successful against the Austro Hungarians but was stopped in its invasion of East Prussia by the Germans In November 1914 the Ottoman Empire joined the Central Powers opening fronts in the Caucasus Mesopotamia and the Sinai Italy joined the Allies in 1915 and Bulgaria joined the Central Powers in the same year while Romania joined the Allies in 1916 followed by United States in 1917 The Russian government collapsed in March 1917 and a subsequent revolution in November brought the Russians to terms with the Central Powers via the Treaty of Brest Litovsk which constituted a massive German victory After a stunning German offensive along the Western Front in the spring of 1918 the Allies rallied and drove back the Germans in a series of successful offensives On 4 November 1918 the Austro Hungarian empire agreed to an armistice and Germany which had its own trouble with revolutionaries agreed to an armistice on 11 November 1918 ending the war in victory for the Allies By the end of the war the German Empire Russian Empire Austro Hungarian Empire and the Ottoman Empire had ceased to exist National borders were redrawn with several independent nations restored or created and Germany's colonies were parceled out among the winners During the Paris Peace Conference of 1919 the Big Four Britain France the United States and Italy imposed their terms in a series of treaties The League of Nations was formed with the aim of preventing any repetition of such a conflict This however failed with economic depression renewed European nationalism weakened member states and the German feeling of humiliation contributing to the rise of Nazism These conditions eventually contributed to World War II The Chicago Daily News Almanac and Year Book for ... ,1918

Goldman,2024-08-20 Call center employees once blended skill and emotional intelligence to solve customer problems while the workplace itself encouraged camaraderie and job satisfaction Ten years after telecom industry deregulation management had isolated the largely female workforce in cubicles imposed quotas to sell products and installed surveillance systems that tracked every call and keystroke Debbie J Goldman explores how call center employees and their union fought for good humane jobs in the face of degraded working conditions and lowered wages As the workforce coalesced to resist the changes

it demanded the Communications Workers of America CWA fight for safe and secure good paying jobs But trends in technology capitalism and corporate governance combined with the decline of unions narrowed the negotiating options for workers Goldman describes how the actions of workers management and policymakers shaped the social impact of the new digital technologies and gave new form to the telecommunications industry in a time of momentous change Perceptive and nuanced *Disconnected* tells an overlooked story of service workers in a time of change **Newspaper Press Book** United States.
