

The background of the entire image is a composite. On the left, there's a blue sky with faint white molecular structures. In the center, a large, glowing green Erlenmeyer flask is superimposed over a city skyline at night. The flask is filled with a green liquid, and its base is submerged in a pool of water that reflects the city lights. On the right, a brick building with many windows is visible, some of which are lit up. The overall theme is chemistry and urban science.
