PARAPHRASE

That time of year thou mayst in me behold In me you can see that time of year

When yellow leaves, or none, or few, do hang When a few yellow leaves or none at all hang

Upon those boughs which shake against the On the branches, shaking against the cold,
cold,

Bare ruin'd choirs, where late the sweet birds Bare ruins of church choirs where lately the
sang. sweet birds sang.

In me thou seest the twilight of such day In me you can see only the dim light that
remains

As after sunset fadeth in the west, After the sun sets in the west,
Which by and by black night doth take away, Which is soon extinguished by black night,

Death's second self, that seals up all in rest. The image of death that envelops all in rest.

In me thou see'st the glowing of such fire I am like a glowing ember

That on the ashes of his youth doth lie, Lying on the dying flame of my youth,
As the death-bed whereon it must expire, As on the death bed where it must finally expire,

Consum'd with that which it was nourish'd by. Consumed by that which once fed it.

This thou perceivest, which makes thy love This you sense, and it makes your love more
more strong, determined

To love that well which thou must leave ere long. Causing you to love that which you must give
up before long.

Ruskin After 200 Sara L. Maurer, Judith Stoddart, Deanna K. Kreisel, Amy Woodson-Boulton, 2025-04-22 This edited volume offers new models for engaging with the work of John Ruskin the Victorian art critic architectural and educational theorist amateur meteorologist and naturalist who gradually became an outspoken critic of capitalist economics and industrialization s toll on the environment Two hundred years after Ruskin s birth his relevance to art literature history architecture economics and natural science has not ebbed However the nature of Ruskin s relevance has evolved considerably This volume offers a cross section of current scholarship showing how a range of scholars continue to engage with Ruskin s work in their research The chapters provide a snapshot both of what scholars need from Ruskin now and how they continue to develop methodologies that allow them to keep in honest conversation with his writing work that is wide ranging visionary and nuanced but also elusive promiscuously mixing the symbolic and scientific and at times deeply marred by the shortcomings of sexism racism

and rigid hierarchical thinking
