

AP Government Study Guide

Unit One: Constitutional Underpinnings

Fundamental Principles of Democracy

- **Direct Democracy** – citizens meet and vote directly on government decisions
- **Representative Democracy (Republic)** – citizens choose officials who make decisions on government policy
- **Magna Carta (1215)** – the first ever attempt to limit the power of the British King, guaranteed all people certain rights
- **Enlightenment Philosophers –Locke and Rousseau**

○ **Social Contract Theory** – principle that people enter into a social contract with the government and allow to be ruled

○ **Consent of the Governed** – principle that there are no supreme rulers, all rulers depend on the approval of the people; when governments fail to protect rights the people have the right to change the government

○ **Natural Rights** – principle that all people are born with certain rights: life, liberty, and property (Jefferson changes property into pursuit of happiness)

- **Declaration of Independence** – Thomas Jefferson's document built on principles of "life, liberty, and the pursuit of happiness" consent of the governed, and social contract theory. It also justified American revolution against England
- **Common Good** – Belief in doing what's best for the nation overall
- **Popular Sovereignty** – Belief that the ultimate authority rests with the people
- **Majority Rule** – Belief that government is run based on the will of the majority

The First Government – **Articles of Confederation**

- Weak association of states (states very independent)
- No central executive power
- No federal power to tax citizens directly
- Federal government could raise an army, (but not pay for it), print money, declare war, and run the post office

Mill Hill Books

Wilson Study Guide Ap Government:

AP* U.S. History Review and Study Guide for American Pageant 14th edition Mill Hill Books, Printed Study Guide for Wilson's American Government, AP* Edition, 11th James Q. Wilson, 2007-11 **AP* U.S. History Review and Study Guide for American Pageant 12th edition** Mill Hill Books, **Monthly Catalog of United States Government Publications** United States. Superintendent of Documents, 1963 **Readers' Guide to Periodical Literature** ,1917

The Political Thought of Woodrow Wilson, 1875-1910 Niels Aage Thorsen, 2014-07-14 Niels Thorsen argues that Woodrow Wilson was one of America's most important political scientists Focusing on the period from Wilson's early years until he was elected Governor of New Jersey this work shows why he deserves a prominent place in the history of American political thought even apart from his later attainments in the political arena His book Congressional Government his seminal article on The Study of Public Administration and his textbook on The State were important contributions during the formative years of academic political science in America In contrast to those who propose psychological explanations of Wilson's early interest in political problems Thorsen contends that the crisis of the election of 1876 against the backdrop of the Civil War was decisive in turning Wilson's attention to political ideas Implying the abandonment of a more traditional form of political thought based on the social contract and on constitutionalism egalitarianism and common sense Wilson linked his conclusions about the nature of politics to the rise of the social and economic sciences Distinctive in his academic work were ideas about social and economic diversification as the condition for the growth of national power and about political leadership asserted at home and abroad as a way to overcome traditional American fears about centralized power Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Adult-study Guide** ,1937 **Military Review** ,1964-07 *Study Guide, AP* Edition for Wilson/Dilulio/Bose's American Government, AP* Edition, 12th* James Q. Wilson, John J. Dilulio, Meena Bose, 2010-03-05 *Book Review Digest* ,1919 *Press Review* United States. Army. American Expeditionary Forces. General Staff, G-2, 1917 **Catalog of Copyright Entries. Copyright Office, 1958 Includes Part 1 Number 1 2 Books and Pamphlets Including Serials and Contributions to Periodicals January December **Press Review** ,1918 **Quarterly Review of Military Literature** ,1964 Press Review, Second Section, General Staff, General Headquarters, American Expeditionary Forces United States. Army. A.E.F., 1917-1919. General staff, G-2, 1918 **Government Employee Relations Report** ,2011 *Resources in Education* ,1998 **The Subject Index to Periodicals** ,1919 *The Review* ,1919 **Booklist** ,1920

Enjoying the Track of Appearance: An Psychological Symphony within **Wilson Study Guide Ap Government**

In a global eaten by screens and the ceaseless chatter of fast transmission, the melodic elegance and mental symphony developed by the written term often diminish into the back ground, eclipsed by the constant noise and disturbances that permeate our lives. However, set within the pages of **Wilson Study Guide Ap Government** a wonderful literary value brimming with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this fascinating masterpiece conducts viewers on a psychological trip, well unraveling the hidden tunes and profound affect resonating within each carefully crafted phrase. Within the depths with this poignant assessment, we shall examine the book is central harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
