CHINESE RECIPES Chinese cuisine a guide to fantastic recipes ,2024-02-06 FOREWORD Long before I became a television chef I was foremost a teacher first at my own cookery school and then at the California Culinary Academy a school for professional chefs What was important for me then was to teach Chinese cookery techniques so that my students could gain a fundamental understanding and appreciation of one of the most ancient cuisines in the world Today with Jeremy Pang's masterpiece *Chinese Unchopped* the author has successfully distilled the essence of how to make delicious authentic Chinese dishes through simply explained techniques In this book every essential aspect is covered every recipe is written with clear instructions on how to prepare and cook each dish while Jeremy's distinct voice and sense of humour fills it with his personal experiences and observations I love how helpful substitution suggestions for harder to find ingredients are provided while practical tips on technique give you the know how you need to cook with confidence as if Jeremy was right beside you I also love the way in which traditional Chinese recipes have been given new life with unusual ingredients or sauces while Martin Poole's mouthwatering photos make me want to run into the kitchen to try them out I am certain you will find *Chinese Unchopped* as enlightening as I do and will agree that it belongs in the kitchen of anyone with an interest in cooking

The Cooking Caveman: How to Lose Weight, Eat Healthy, Create Mouthwatering Paleo Recipes, and Piss Off All Your Friends! Jeff Nimoy, 2012-11-19 Did you know that cavemen didn't have cancer They didn't have heart disease either Nor did they have diabetes They didn't even have tooth decay Yeah I didn't know that shit either My first question was How do they know But they know This isn't a book about archeology or anthropology so you'll have to look up that research on your own you lazy bastards This is a book on how what many people perceive to be a fad diet transformed me into a healthy skinny ripped human machine without much exercise at all Too good to be true you ask What's this jerk was trying to sell me What do I have to do read his book and then buy the diet plan sold separately to get his secret What a rip off artist Nope nothing to buy except this book you cheap bastards because I found the diet all by myself on the Internet free of charge There are several books out there on the Caveman Diet also known as the Paleo Diet but it's so simple a caveman could do it and there's so much info out there I think those books are a rip off Now my next cookbook that's a different story altogether Get those credit cards ready you fat bastards I've already started on my second book You're about to read how I a lowly Emmy Award winning writer producer voice actor director accidentally stumbled upon the Caveman Diet and how it transformed my body my mind and my spirit and in doing so alienated me from almost everyone It limited the ingredients I could eat yet sparked my creativity and made me into a pretty amazing cook if I do say so myself cause I certainly wasn't when I started Healthy eating and dieting does not mean deprivation I promise you if I can do this anyone can do this It just takes a commitment to change for the better I am in the best shape of my life rarely exercise and I eat LIKE A KING
