author's recovery groups. It includes survivor testimonies, signposts to resources, and reflective activities to help manage the aftermath of sexual trauma. With statutory services such as the criminal justice system often failing male survivors, the book draws on Transformative Justice principles to suggest alternative ways for men to break cycles of trauma and move forward with their lives. Aimed at male survivors and those who support them, counsellors, psychotherapists, social workers, family members, and loved ones, this book offers guidance and hope for navigating a path to healing.
