Understanding Business 10th Edition Chapter :

Understanding Business Ethics Peter A. Stanwick, Sarah D. Stanwick, 2024-05-08 Understanding Business Ethics Fourth Edition offers an impactful exploration into the realm of ethics in the global business environment. Authors Peter A. Stanwick and Sarah D. Stanwick integrate four key dimensions to differentiate their work from other ethics textbooks: a global perspective, real world business cases, comprehensive ethics topics, and a consistent theme linking each chapter. Whether it's uncovering the intricate relations between businesses and their stakeholders, discussing the effects of financial reporting, or exploring the ethical implications of information technology, marketing, human resources, and the natural environment, this textbook equips readers with a robust ethical framework for the business world. Additionally, the timely case studies from diverse industries demonstrate the very real consequences of ethical and unethical decisions. This text is offered in Sage Vantage, an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto-graded assessments to drive student engagement and ensure accountability. Unparalleled in its ease of use and built for dynamic teaching and learning, Vantage offers customizable LMS integration and best-in-class support. Watch this video walkthrough and see how Vantage works.

Understanding Business Valuation Gary R. Trugman, 2016-11-07 Written by Gary Trugman, Understanding Business Valuation: A Practical Guide to Valuing Small to Medium-Sized Businesses simplifies a technical and complex area of practice with real-world experience and examples. Trugman's informal, easy-to-read style covers all the bases in the various valuation approaches, methods, and techniques. Readers at all experience levels will find valuable information that will improve and fine-tune their everyday activities. Topics include valuation standards, theory, approaches, methods, discount and capitalization rates, S corporation issues, and much more. Author's Note boxes throughout the publication draw on the author's veteran practical experience to identify critical points in the content. This edition has been greatly expanded to include new topics as well as enhanced discussions of existing topics.

EBOOK: Understanding Business, Global Edition William Nickels, Jim McHugh, Susan McHugh, 2012-05-16 Understanding Business Global Edition by Nickels, McHugh, and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons: 1. The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience; 2. We listen to our customers; and 3. The quality of our supplements package. We consistently look to the experts: full-time faculty members, adjunct instructors, and of course, students, to drive the decisions we make about the text itself and the ancillary package. Through focus groups, symposia, as well as extensive reviewing of both text and key ancillaries, we have heard the stories of more than 600 professors and their insights and experiences are evident on every page of the revision and in every supplement. As teachers of the course and users of their own materials, the author team is dedicated to the principles of excellence in business education. From providing the richest, most current topical coverage to using dynamic pedagogy that puts students in touch with today's real business issues to

L&D Order Taker No More! Jess Almlie, 2025-09-02 Transform Your L D Team Into Your Organization's Strategic Business Partner. Most L D pros dream of the day when stakeholders will stop viewing them as mere order takers and consider them critical strategic partners in shaping the future of their organization. But how do you get there? In this book, veteran talent development leader Jess Almlie introduces her formula for becoming the valued strategic business partner (SBP) that leaders in the C-suite and elsewhere in an organization need and want. Partnering effectively with stakeholders requires a new mindset and behavior: a keen understanding of the business, a willingness to collaborate, and targeted tools. Almlie provides detailed guidance on how to succeed in each of these areas and invites you to start by taking an in-depth assessment of your strengths and gaps in working as an SBP. She shares her own wins and failures along with wisdom from three dozen other L D pros who work in small, midsize, and large organizations across a wide variety of industries. This step-by-step guide will help current and aspiring L D leaders understand business basics, create a playbook for team collaboration, work productively with stakeholders, and teach others to work in harmony with L D. The final chapter offers practical advice for those who need to take small steps toward becoming SBPs in organizations resistant to change. This book includes questionnaires, worksheets, and other tools that will help L D leaders understand business terminology and needs, see a stakeholder's point of view, and develop strategies for creating effective partnerships and measuring impact. You'll be able to create a plan for developing and advocating for a team of L D professionals who all work as strategic business
