Charles Dickens

To Jerusalem And Back:

To Jerusalem and Back Saul Bellow, 2010-01-01 When he visited Israel in 1975 Saul Bellow kept an account of his experiences and impressions It grew into an impassioned and thoughtful book As he wryly notes If you want everyone to love you don't discuss Israeli politics But discuss them is very much what he does Through quick sketches and vignettes Bellow evokes places ideas and people reaching a sharp picture of contemporary Israel The reader is offered a wonderful panorama of an ancient and modern world city Like every other visitor to Israel Bellow tumbles into a gale of conversation He loves it and he makes the reader feel at home Bellow delights in the liveliness the gallantry of Israeli life people on the edge of history an inch from disaster yet brimming with argument and words He delights not in tourist delusions but with a tough critical spirit his Israel is pocked with scars and creases and all the more attractive for it Simply as a travel book the reader finds remarkable descriptions such as one in which Bellow finds the melting air of Jerusalem pressing upon him with an almost human weight Something intelligible is communicated by the earthlike colors of this most beautiful of cities The impression that Bellow offers is that living in Israel must be as exhausting as it is exciting a murderous barrage on the nerves Israel he writes is both a garrison state and a cultivated society both Spartan and Athenian It tries to do everything to make provisions for everything All resources all faculties are strained Unremitting thought about the world situation parallels the defense effort Jerusalem's people are actively and individually involved in universal history Bellow makes you share in the experience

To Jerusalem and Back Saul Bellow, 1977 **To Jerusalem and Back**, 1996 **Appleton's European Guide Book for English-speaking Travellers**, 1886 With signs following, From hand rendered folk signs to high dollar church marquees religious messages and imagery saturate the landscape of the American South In With Signs Following photographer and southern studies scholar Joe York introduces readers to the role of artistic witty advertising in southern churches In seventy black and white images of religious signs and other ephemera he simultaneously presents the factual while encouraging reflection and introspection Though York's pictures speak volumes With Signs Following features an equally compelling essay by York This piece seeks the stories of the sign makers through informal interviews The combination of images and text offers an insightful humorous historically grounded perspective on one of the South's most familiar scenes In collecting images of religious roadside signs from across the region and interviews with the evangelicals who put them there Joe York shows us the Christ haunted South as it has never before been considered Joe York is a freelance photographer and a producer and director of documentary films for the Center for Documentary Projects and the Southern Foodways Alliance at the University of Mississippi Charles Reagan Wilson is director of the Center for the Study of Southern Culture at the University of Mississippi
