Chapter 26

1. Scout is growing up. Explain her feelings now about:
 - a. their former cruel games concerning Boo Radley

- b. her remaining desire to see Boo in person

She still imagines that someday she'll meet him and they will speak to each other as if they've known each other for a long time.

- c. Atticus' apparent knowledge of their previous activities

Atticus reveals that he knows about their games all along.

- d. "Current Events"

It's a good idea, but Scout thinks it's not practical in Maycomb County since the children have few newspapers and little concept of what a current event was.

2. What is the irony of Miss Gates' lecture on democracy when compared to her comments at the trial?

Miss Gates says that we do not believe in persecuting anyone in America; she states persecution only comes from people who are prejudiced. After the trial Scout had heard Miss Gates say, "It's time somebody taught 'em (Negroes) a lesson." She is a hypocrite.

3. When Scout tries to tell Jem about Miss Gates, why does he react so violently? Explain Atticus' answer to her about this.

You Can Do About It author and teacher Kelly Gallagher suggests it is time to recognize a new and significant contributor to the death of reading in our schools. Readicide. Gallagher argues that American schools are actively though unwittingly furthering the decline of reading. Specifically he contends that the standard instructional practices used in most schools are killing reading by valuing standardized testing over the development of lifelong readers. Mandating breadth over depth in instruction. Requiring students to read difficult texts without proper instructional support and insisting students focus on academic texts. Ignoring the importance of developing recreational reading. Losing sight of authentic instruction in the looming shadow of political pressures. Readicide provides teachers, literacy coaches, and administrators with specific steps to reverse the downward spiral in reading that will help prevent the loss of another generation of readers.
