Unconditional: Always 1 Cherie M. Hudson, 2015-04-23 She has a future she can't escape He refuses to let her face it alone Twenty one The age when adult life begins In my case it's the age I learned my future sucked big time and there was nothing I could do about it Every minute of every day I face the fact my life is only going to get worse Why Because I have early onset Parkinson's disease I'm not going to let it get me down but I also can't let anyone close That's not fair to them or to me Trust me So that means my heart and my soul are off limits But then I traveled to Australia on a college scholarship program and life royally screwed me over Again Raphael Jones is an arrogant Australian celebrity the hottest guy on campus and a pain in my ass Worst of all he makes me ache for a life I'll never be able to have Especially when he takes me in his arms and does wicked things to my body How do I have a hope of surviving ten weeks in Australia when it's not just the paparazzi who have me in their sights but Raph as well Because Raphael Jones is a man who always gets what he wants And no matter what I say or do he refuses to accept what I so painfully know a life and future with me is no life at all
