Who Am I to Judge? Mark Tushnet, 2025-02-25 A leading legal scholar asks a fundamental question Do we need a theory of constitutional interpretation Do we need a theory of constitutional interpretation It is a common argument among originalists that however objectionable you may find their theory at least they have one whereas their opponents do not have any theory at all But as Mark Tushnet argues for most of the Supreme Court's history including some of its most exceptional periods the Court operated without a theory In this book Tushnet shows us what a constitutional theory actually is what judges need from it and why they probably can't get what they need and the great harm that results when judges allow theory to dictate bad policy It is not theory that matters Tushnet argues The vitally important indispensable quality in a judge is good judgment

Understanding Descartes: I am, I exist Hercules Bantas, 2011-03-28 Ren Descartes uses rational thought to argue that his essence exists in his thoughts alone He reasons that the mind and body are distinct and separable and that the mind as the originator of thought is what defines the person This concise essay length guide outlines the reasoning Descartes uses in establishing his theory of knowledge which he argues is necessary to form a proper foundation for the sciences

Philosophy at 3:AM Richard Marshall, 2014-04-03 The appeal of philosophy has always been its willingness to speak to those pressing questions that haunt us as we make our way through life What is truth Could we think without language Is materialism everything But in recent years philosophy has been largely absent from mainstream cultural commentary Many have come to believe that the field is excessively technical and inward looking and that it has little to offer outsiders The 25 interviews collected in this volume all taken from a series of online interviews with leading philosophers published by the cultural magazine 3ammagazine.com were carried out with the aim of confronting widespread ignorance about contemporary philosophy Interviewer Richard Marshall's informed and enthusiastic questions help his subjects explain the meaning of their work in a way that is accessible to non specialists Contemporary philosophical issues are presented through engaging but serious dialogues that taken together offer a glimpse into key debates across the discipline Alongside metaphysics philosophy of

mind epistemology logic philosophy of science philosophy of language political philosophy and ethics discussed here are feminist philosophy continental philosophy pragmatism philosophy of religion experimental philosophy bioethics animal rights and legal philosophy Connections between philosophy and fields such as psychology cognitive science and theology are likewise examined Marshall interviews philosophers both established and up and coming Engaging thoughtful and thought provoking inviting anyone with a hunger for philosophical questions and answers to join in Philosophy at 3 AM shows that contemporary philosophy can be relevant and even fun
