# Saturn® 2000 GC/MS

## Pre-Installation Instructions

The information provided here will help you identify and prepare a suitable installation site for your Saturn GC/MS. After you have prepared the site, and your Saturn GC/MS has been delivered, please contact your local Varian, Inc. office to schedule your installation.

For Saturn 2100 systems, refer to these instructions plus the 3800 GC Pre-Installation Instructions. For other Saturn systems, refer to these instructions plus the CP-3800 GC Pre-Installation Instructions.

The Varian Saturn GC/MS has been designed to operate reliably under carefully controlled environmental conditions. It is your responsibility to provide a suitable location, power source, and operating environment. Operating or maintaining a system in operational conditions outside of the power and operating environment limits described below could cause failures of many types. The repair of such failures is specifically excluded from the Warranty and Service contract conditions.

### CAUTION

All phases of the installation site preparation must conform to local safety, electrical, and building codes. These codes take precedence over any recommendations in these instructions, and compliance to them is the responsibility of the customer.
