

VectorCalculus

SIXTH EDITION

The background of the cover is a dark, cosmic scene. In the foreground, the curved, cratered surface of the Moon is visible, arching across the lower half of the frame. Above the Moon, the dark, curved horizon of the Earth is seen. In the center of the image, a bright, glowing sun or star is positioned directly behind the Earth's horizon, creating a silhouette effect and illuminating the scene with a warm, golden light.
