Plastics Technology Handbook, Third Edition, Manas Chanda, Salil K. Roy, 1998-04-10 Completely updated and enlarged to reflect the advances that have taken place since the publication of the Second Edition Third Edition offers concise examinations of the chemical nature characteristic properties and uses of traditional industrial polymers such as acrylics polyolefins vinyl polymers polyesters epoxies and silicones among others **Canned Goods Trade** , 1911 The New Rules of Green Marketing Jacquelyn Ottman, 2017-10-19 For too long marketers of sustainable goods and services have targeted deep green consumers to promote their products and they have little to show for their efforts In this innovative book Jacquelyn Ottman shows how the green market has moved beyond such niche marketing and how marketers will find greater success promoting the inherent superior value of their offerings Greener products are now available within every industry and are a part of our everyday lives But they didn t get to be so ubiquitous just because they are better for the planet Whether they were promoted as such or not sales of green products have grown so fast because of the added value they provide health superior performance good taste cost effectiveness or simply convenience This central emphasis on primary benefits the new rules is critical to winning over the mainstream consumer and to driving overall organizational growth The

New Rules of Green Marketing helps readers understand why value based sustainability marketing has become a critical organizational capacity and how readers can adopt this approach in their own organizations Illustrated by examples from both international mainstream and the more niche deep green leaders who are showing everyone else the way the book provides practical strategies tools and inspiration for building every aspect of a credible value based green marketing strategy including How to use a proactive approach to sustainability to spur innovation How to frame environment related benefits with relevance to mainstream brands How to communicate with credibility and impact and avoid greenwashing How to team up with stakeholders to maximize outreach to consumers How to use a life cycle orientation to ensure the integrity of one s offerings How to best take advantage of recent technological advances in social media Drawing on the latest data from leading researchers and reflecting on learnings from Ottman s corporate clients and other pioneers including GE Nike HSBC Method Starbucks Timberland HP NatureWorks Philips Procter Gamble Stonyfield Farm and Wal Mart this book shows how market leaders are edging out the competition using effective value first marketing strategies This book captures the best of the author s previous groundbreaking books on green marketing and takes the content into the 21st century Whereas earlier works focused on readers who were less familiar with green initiatives this work squarely focuses on a new generation of marketers who likely themselves grew up with an appreciation of sustainability and who want and need to know how to connect effectively with mainstream consumers The New Rules of Green Marketing Jacquelyn A. Ottman, 2011-02-07

Green products have been around since the 1970s but it s only in recent years that they ve become ubiquitous That s because savvy green marketers are no longer targeting deep green consumers with a save the planet pitch Instead they re promoting the added value their products provide better health superior performance good taste or cost effectiveness In this innovative book Ottman argues that emphasizing primary benefits the New Rules is critical to winning over the mainstream consumer Drawing on the latest poll data and incorporating lessons learned from her clients and other leading sustainable brands including GE Nike Method Starbucks Timberland HP NatureWorks Procter Gamble Stonyfield Farm and Wal Mart Ottman provides practical strategies tools and inspiration for building every aspect of a credible value based green marketing strategy She covers such topics as spurring innovation through a proactive approach to sustainability developing products that are green throughout their life cycle communicating credibly to avoid accusations of greenwashing teaming up with stakeholders to maximize outreach to consumers taking advantage of social media and much more The New Rules of Green Marketing captures the best of Ottman s two previous groundbreaking books on green marketing and places it within a 21st Century context Focusing on a new generation of marketers who likely grew up with an appreciation for sustainability it provides in one place essential strategies tools and inspiration for connecting effectively with mainstream consumers
