South African Defence Force Recruitment:

Propaganda and Public Relations in Military Recruitment Brendan Maartens, Thomas Bivins, 2020-11-19 This book represents the first international investigation of military recruitment advertising public relations and propaganda Comprised of eleven case studies that explore mobilisation work in Africa the Americas Asia and Europe it covers more than a hundred years of recent history with chapters on the First and Second World Wars the Cold War and the present day The book explores such promotion in countries both large and small and in times of both war and peace with readers gaining an insight into the different strategies and tactics used to motivate men women and occasionally even children to serve and fight in many parts of the world Readers will also learn about the crucial but little known role of commercial advertising public relations and media professionals in the production and distribution of recruitment promotion This book the first of its kind to be published will explore that role and in the process address two questions that are central to studies of media and conflict how do militaries encourage civilians to join up and are they successful in doing so It is a multi disciplinary project intended for a diverse academic audience including postgraduate students exploring aspects of war propaganda and public opinion and researchers working across the domains of history communications studies conflict studies psychology and philosophy

South Africa News Update ,1992 Consists of reproductions of articles from South African newspapers **The Imperial Army Project** Douglas E. Delaney, 2018-01-25 How did British authorities manage to secure the commitment of large dominion and Indian armies that could plan fight shoot communicate and sustain themselves in concert with the British Army and with each other during the era of the two world wars What did the British want from the dominion and Indian armies and how did they go about trying to get it Douglas E Delaney seeks to answer these questions to understand whether the imperial army project was successful Answering these questions requires a long term perspective one that begins with efforts to fix the armies of the British Empire in the aftermath of their desultory performance in South Africa 1899 1903 and follows through to the high point of imperial military cooperation during the Second World War Based on multi archival research conducted in six different countries on four continents Delaney argues that the military compatibility of the British Empire armies was the product of a deliberate and enduring imperial army project one that aimed at standardizing and piecing together the armies of the empire while at the same time accommodating the burgeoning autonomy of the dominions and even India At its core this book is really about how a military coalition worked **South Africa** Study Commission on U.S. Policy toward Southern Africa (U.S.), United States. Study Commission on US Policy Toward Southern Africa, Study Commission on U.S. Policy toward Southern Africa (U.S.), 1981-01-01 Examines the history politics and social problems of South Africa and suggests five objectives for U S policy toward that nation **Cultural Diversity in the Armed Forces** Joseph L. Soeters, Jan Van der Meulen, 2007-01-24 This book addresses the different ways in which armed forces around the world respond to the cultural diversity of their parent societies ethnicity and gender in particular in order to enhance their

quality and legitimacy **Africa** various,2013-09-05 Complete set Since 1961 the Adelphi Papers have provided some of the most informed accounts of international and strategic relations Produced by the world renowned International Institute of Strategic Studies each paper provides a short account of a subject of topical interest by a leading military figure policy maker or academic The project reprints the first forty years of papers arranged into thematic sets The collection as a whole provides a rich and insightful account of international affairs during a period which spans the second half of the Cold War the fall of the communist bloc and the emergence of a new regime with the United States as the sole superpower There is a wealth of global coverage Four volumes on east and southeast Asia as well as individual volumes on China Japan and Korea Particular attention is given to the Middle East with volumes addressing internal sources of instability geo politics and the role of the superpowers the Israel Palestine conflict and the Iran Iraq War and the first Gulf War There is also a volume on oil and insecurity There are also two volumes on Africa the site of most of the world s wars during the period The IISS has obviously made a particular contribution to the understanding of military strategy and this is reflected with material on topics such as urban and guerrilla warfare nuclear deterrence and the role of information in modern warfare Volumes on military strategy are complemented by approaches from other disciplines such as defence economics Key selling points Early papers were only distributed by the IISS and will have achieved limited penetration of the academic market A host of major authors on a range of different subjects eg Gerald Segal on China Michael Leifer on Southeast Asia Sir Lawrence Freidman on the revolution in military affairs Raymond Vernon on multinationals and defence economics Individual volumes will have a strong appeal to different markets eg the volume on defence economics for economists various volumes for Asian Studies etc **South**

African Human Resource Management for the Public Sector Barney Erasmus,2005 This report discusses important themes in the field of human resource management for the public sector including managing employee relations strategizing and planning human resources departments and selecting employees within the equal employment opportunity guidelines Current legislation of the field is discussed and new theories on local and international applied research are explored

State, Resistance and Change in South Africa Philip Frankel,Noam Pines,Mark Swilling,2022-10-05 Originally published in 1988 this book describes and analyses the factors that were operative in South Africa during the 1980s at a time when Apartheid was under intense pressure It focuses not only on the central arenas of political action but also on the non institutional arenas which were increasingly the central forums of political action Organised around the three linked themes of state action popular opposition and possible alternatives the work examines the manner in which such key institutions such as government business and the military responded to Apartheid in its crisis as well as the role of the ANC the black trade unions Inkatha and community movements in the townships The final section deals with the South African left and the Freedom Charter **Soldiers Without Politics** Kenneth W. Grundy,Kenneth William Grundy,1983-01-01 **Africa and**

World War II Judith A. Byfield,Carolyn A. Brown,Timothy Parsons,Ahmad Alawad Sikainga,2015-04-16 This volume

considers the military economic and political significance of Africa during World War II The essays feature new research and innovative approaches to the historiography of Africa and bring to the fore issues of race gender and labor during the war topics that have not yet received much critical attention It explores the experiences of male and female combatants peasant producers women traders missionaries and sex workers The first section offers three introductory essays that give a continent wide overview of how Africa sustained the Allied effort through labor and resources The six sections that follow offer individual case studies from different parts of the continent Contributors offer a macro and micro view of the multiple levels on which Africa s contributions shaped the war as well as the ways in which the war affected individuals and communities and transformed Africa s political economic and social landscape *Women and War in the 21st Century*

Margaret D. Sankey, 2018-08-17 Twenty three countries currently allow women to serve in front line combat positions and others with a high likelihood of direct enemy contact This book examines how these decisions did or did not evolve in 47 countries This timely and fascinating book explores how different countries have determined to allow women in the military to take on combat roles whether out of a need for personnel a desire for the military to reflect the values of the society or the opinion that women improve military effectiveness or in contrast have disallowed such a move on behalf of the state In addition many countries have insurgent or dissident factions in that have led armed resistance to state authority in which women have been present requiring national militaries and peacekeepers to engage them incorporate them or disarm and deradicalize them This country by country analysis of the role of women in conflicts includes insightful essays on such countries as Afghanistan China Germany Iraq Israel Russia and the United States Each essay provides important background information to help readers to understand the cultural and political contexts in which women have been integrated into their countries militaries have engaged in combat during the course of conflict and have come to positions of political power that affect military decisions **Civil Military Interaction in Asia and Africa** Kennedy, Louscher, 2021-11-08 The focus of this

book is on the interaction between the civilian government and the military in Asian and African countries The authors have gone to great lengths to provide an accurate analysis of both the advantages and the shortcomings of the respective countries attempts to reach civil military cooperation Each article provides the reader with the information necessary to make a preliminary judgement on the efficiency of the given country s ability to achieve harmony between their government and their military Home Front: South Africa and the Second World War Evert Kleynhans, Anri Delpont, 2024-11-15

Home Front South Africa and the Second World War offers a fresh academic perspective through the voices of both new and established scholars leveraging recently uncovered archival material to illuminate the experiences of South Africans at home between 1939 and 1945 This latest addition to South Africa s wartime historiography is thoughtfully divided into two broad sections dealing with active participation in and resistance against the Allied war effort The book highlights the vigorous mobilisation and recruitment campaigns that saw thousands enlist and the pivotal roles women assumed in industry and civil

service It explores how the war effort permeated every facet of society challenging traditional gender roles and societal norms It delves into the dynamic shifts within South African society from politics and community mobilisation to the contributions of collegiate schools and the impact on sports It uncovers the undercurrents of dissent that existed alongside visible support It brings to light the political activism within the African National Congress the covert operations of Nazi sympathisers and the simmering tensions among Afrikaner nationalists In doing so the chapters collectively unravel the complexity of South African society where loyalty and opposition coexisted often influenced by propaganda espionage and socio political manoeuvring

Revolution from Above Ellen Kay Trimberger,1978 Forfatteren er lektor i sociologi ved California State College Sonoma Hun har udviklet en teori om sociale betingelser som fremmer revolution re handlinger af officerer i tredie verdenlande *Contemporary Issues in South African Military Psychology* Nicole Dodd,Petrus C.

Bester,Justin van der Merwe,2020-05-13 Contemporary Issues in South African Military Psychology is a well timed extremely thought provoking imperative particular to the African context and deals with a highly contemporary issue within the people management and the management studies fields specifically in the military field and context This is specifically of importance as military psychology is a behavioural science that combines theory and practical application Prof Karel Stanz University of Pretoria

World War I and Propaganda ,2014-01-23 World War I and Propaganda offers a new look at a familiar subject The contributions to this volume demonstrate that the traditional view of propaganda as top down manipulation is no longer plausible Drawing from a variety of sources scholars examine the complex negotiations involved in propaganda within the British Empire in occupied territories in neutral nations and how war should be conducted Propaganda was tailored to meet local circumstances and integrated into a larger narrative in which the war was not always the most important issue Issues centering on local politics national identity preservation of tradition or hopes of a brighter future all played a role in different forms of propaganda Contributors are Christopher Barthel Donata Blobaum Robert Blobaum Mourad Djebabla Christopher Fischer Andrew T Jarboe Elli Lemonidou David Monger Javier Pounce Catriona Pennell Anne Samson Richard Smith Kenneth Andrew Steuer Mar a In s Tato and Lisa Todd **Indigenous Peoples of the British Dominions and the First World War**

Timothy C. Winegard,2011-11-03 The first comprehensive examination and comparison of the indigenous peoples of the five British dominions during the First World War *Africa and the Second World War* David Killingray,Richard

Rathbone,1986-07-02 **The British Empire and the Second World War** Ashley Jackson,2006-03-09 In 1939 Hitler went to war not just with Great Britain he also went to war with the whole of the British Empire the greatest empire that there had ever been In the years since 1945 that empire has disappeared and the crucial fact that the British Empire fought together as a whole during the war has been forgotten All the parts of the empire joined the struggle and were involved in it from the beginning undergoing huge changes and sometimes suffering great losses as a result The war in the desert the defence of Malta and the Malayan campaign and the contribution of the empire as a whole in terms of supplies communications and

troops all reflect the strategic importance of Britain's imperial status. Men and women not only from Australia, New Zealand and India but from many parts of Africa and the Middle East all played their part. Winston Churchill saw the war throughout in imperial terms. The British Empire and the Second World War emphasises a central fact about the Second World War that is often forgotten.

Historical Dictionary of Lesotho John Aerni-Flessner, Charles Fogelman, Nthabiseng Mokoena-Mokhali, 2023-11-30. Lesotho's history has long been defined by its enclave status within South Africa but it is a hard fought and hard won status that helps unite Basotho through the shared history of struggle against colonial rule in the region. Since the end of apartheid in 1994, Lesotho's status as a separate entity has been called into question though the fierce national pride built through centuries of resistance to outside rule has mitigated against any serious discussions of incorporating Lesotho into South Africa. Still the political instability and lack of a flourishing domestic economy have made life difficult for the majority of Basotho and could call into question the viability and legitimacy of the state in the eyes of its citizens if it cannot enact significant reforms in the coming decades. Historical Dictionary of Lesotho Third Edition contains a chronology, an introduction and an extensive bibliography. The dictionary section has more than 500 cross referenced entries on important personalities as well as aspects of the country's politics, economy, foreign relations, religion and culture. This book is an excellent resource for students, researchers and anyone wanting to know more about Lesotho.
