In December 1846 the *Keying* a Chinese junk purchased by British investors set sail from Hong Kong for London. Named after the Chinese Imperial Commissioner who had signed away Hong Kong to the British, manned by a Chinese and European crew and carrying a travelling exhibition of Chinese items, the *Keying* had a troubled voyage. After quarrels on the way and a diversion to New York culminating in a legal dispute over arrears of wages for Chinese members of the crew, it finally reached London in 1848 where it went on exhibition on the River Thames until 1853. It was then auctioned off, towed to Liverpool and finally broken up. In this account of the ship, the crew and the voyage, Stephen Davies tells a story of missed opportunities with an erratic course, overambitious aims and achievements born of lucky breaks, a microcosm in fact of early Hong Kong and of the relations between China and the West *Under Wide and Starry Skies* Nicholas Coghlan, 2025-01-16

Cast off the lines and discover 50 of the most fabulous off the beaten track sailing destinations on our planet. If you own a sailing boat, chances are that you've wondered what it would be like to throw in your job, cast off and sail over the horizon. Here are 50 out of the way destinations to encourage you to sell up and go, or enjoy a temporary escape with practical tips including formalities, the prevailing weather and GPS positions. The selection of locations is based on over 70 000 miles of sailing. Some St Helena, Cocos, Keeling are classic yet remote destinations that have been favoured by circumnavigators ever since the days of Joshua Slocum. Others in Japan, Patagonia or the Pacific Northwest have been chosen as perfect examples of the attractions of those regions. Common denominators are protection from the weather, scenic beauty and historic and/or human interest. And the fact that while solitude is not guaranteed, you won't be troubled by the arrival of a cruising flotilla or by a novice dragging anchor onto you. Each anchorage is introduced with a lively account describing the place, its history and people, if any, as well as the author and his crew's adventures. Each account is followed by a beautifully hand-drawn sketch of the anchorage and an information box Cruising World , 1996-01 **Cruising World** , 1999-01 **Cruising World** , 1995-01 **Cruising World** , 1995-01 *Catalog of Copyright Entries* Library of Congress.
