para enseñar o revisar una gran variedad de conceptos fonéticos. Las actividades que se presentan en este libro incluyen prácticas de reconocimiento de consonantes al inicio de las palabras: la *c* suave y la *c* fuerte, la *g* suave y la *g* fuerte, vocales acentuadas y no acentuadas, dígrafos, unión de letras, división silábica, antónimos y homónimos. Los ejercicios también permiten practicar los aspectos de deletreo de palabras y sustitución de sonidos. Here is a ready to use bilingual series for busy educators and parents. This easy to use format provides Spanish content on the right facing page and the corresponding English content on the left facing page. Wherever possible the activities have been directly translated from one language to the other. This direct translation approach has been used with all activities featuring core skills that are the same in both Spanish and English. For the basic skills that differ between Spanish and English an adaptation approach has been used. In the adapted activities the Spanish content may be very different from the English content on the corresponding page yet both worksheets present concepts and skills that are central to each language. By using a combination of both direct translations and adaptations of the activities this bilingual series provides worksheets that will help children develop a solid understanding of the basic concepts in both Spanish and English. The skill focus is printed on the bottom of each page and a complete answer key is included. The Build Their Skills workbooks are designed to develop a strong foundation of basic skills that promotes a child's success in future learning. 64 pages.
