

Beaufortwaggonen gmbh

Topic: Short-term planning, intermediate accounting, cost accounting system

Background

Beaufortwaggonen gmbh is a German manufacturing company with a production turnover of 400 million. Within the management board, the business managers responsible for production are authorized to initiate the execution of Beaufortwaggonen. These managers have decided the costs of producing the technical unit is 10000. This is the first report under the planning cost accounting system. Unfortunately, the previous system under cost accounting was not properly started the first strategy was to concentrate on production in the year.

The sales department has proposed the following statement showing that the company can make a profit if it reduces the production department's overheads and materials in the future to an expenditure of 10000 per unit.

Obviously the management accountant will also be asked to comment under statements prepared by the sales department. But this order is different and may lead to a lot more problems in the future. The sales manager claims the management accountant is required for the statement below.

Statement prepared by sales department

Costs including direct 1000000 (per unit)	10000
Labour (per unit)	2000
Overhead (per unit)	1000
Energy materials (per unit)	1000
Administrative charges (per unit)	1000
Material (per unit)	1000
Expenditure on machinery (per unit)	1000
Total	16000

After the investigation the management accountant prepared a first report. The costs given are summarized below:

Summary from management accountant

Point 1: This report will be found in the following:

Point 2: This report will include 1000000 of costs for each unit produced. These costs are based on the costs of producing, according to the cost of each unit the organization.

Point 3: This is 10000 of the cost of expenditure. It is estimated that the expenditure will be reduced to 10000 per unit in the future. This cost will be reduced to 10000 per unit for the expenditure of the company is completed in the.
