Booked Up! How to Write, Publish and Promote a Book to Grow

Your Business Stephanie Chandler, 2010-10-18 It is no secret that writing a book is one of the quickest and most effective ways to establish yourself as an authority in your field. At the same time one of the biggest myths in publishing is that authors can easily strike it rich from a 15 paperback. While this can happen to a lucky few who hit the best seller lists a better path to riches is one where you build your business around your book leveraging your author status to gain valuable media exposure increase your earnings potential and develop new revenue streams. This comprehensive guide shows you how you can write and produce a book and ultimately expand your business to new heights. If you have been thinking about writing a book or you have already authored a book and want to gain even more exposure online you will find a treasure trove of information and resources in **BOOKED UP**. You will learn how to Uncover dozens of revenue generating strategies that you can create around your book. Write a book even if you hate to write. Choose between self publishing and traditional publishing depending on your unique goals. Move forward with self publishing if that is the path you choose. Navigate the world of traditional publishing and land a book deal. Implement powerful internet marketing strategies to gain maximum visibility online. Leverage social media sites including Facebook Twitter and LinkedIn to build your audience and increase website traffic. An interview with a successful author follows each section in the book authors who have built empires around one or more books. This is valuable real world advice that you won't find anywhere else. Don't miss your chance to get **BOOKED UP**.      Review of Automated Systems, 1996      **Essentials of Accounts Payable** Mary S. Schaeffer, 2002-01-28 **ESSENTIALS OF ACCOUNTS PAYABLE** Full of valuable tips techniques illustrative real world examples exhibits and best practices this handy and concise paperback will help you stay up to date on the newest thinking strategies developments and technologies in accounts payable. A real world approach with great insights and practical wisdom on all aspects of the accounts payable process. **Essentials of Accounts Payable** provides accounts payable professionals with a framework for action in a rapidly changing environment. Tom Nichols Division Manager Accounts Payable Operations AT T. Mary Schaeffer has combined her considerable knowledge of the accounts payable process with the learning and benchmark statistics from top companies to produce a world class guide to the AP process. Without Mary Schaeffer and IOMA AP would still be a neglected financial process without any formal reading to explain the complexities of a process that most companies think is simply paying the bills. This book is a must read for anyone working in directing or managing AP operations both seasoned professionals and those new to the process. Linda Sawyer Sisko Programs Manager Cisco Systems Inc. This book does an excellent job of explaining the often complicated basics of the accounts payable functions. It provides a quick snapshot for busy executives who need to know how an accounts payable department should run. It is an excellent update for those executives who need to keep up to date on numerous issues.
