Beauty of the Unknown David Torevell,2017-03-02 Contemporary culture is rediscovering the importance of beauty for both social transformation and personal happiness Theologians have sought in their varied ways to demonstrate how God s beauty is associated with notions of truth and goodness This book breaks new ground by suggesting that liturgy is the means par excellence by which an experience of beauty is communicated Drawing from both secular and religious understandings in particular the mystical and apophatic tradition the book demonstrates how liturgy has the potential to achieve the one ultimately reliable form of beauty because its embodied components are able to reflect the disturbing beauty of the One to whom worship is always offered Such components rely on understanding the aesthetic dynamics upon which liturgy relies This book draws from a broad range of disciplines concerned with understanding beauty and self transformation and

concludes that while secular utopian forms have much to contribute to ethical transformation they ultimately fail since they lack the Christological and eschatological framework needed which liturgy alone provides **The More the Merrier** Judy Pollard Smith,2019-01-10 How is it that I can remember every word every bit of musical phrasing every nuance from every song from my early years Mitch Ryder And The Detroit Wheels Abba The Band Credence Clearwater s Revival s Bad Moon Rising Judi Collins rendition of Joni Mitchell s Both Sides Now but had a bit of a time recalling the last four digits of our phone number when somebody asked me for it last night So begins one of Judy Pollard Smith s journal entries which she started to write to mark her seventieth birthday As a fan of the memoirs journals and letters of famous people she wanted to explore whether the journals of everyday people have value How do others perceive us when we look seventy on the outside but feel twenty seven on the inside She writes about light and weighty topics from relaxing with a favorite book to considering the removal of reminders of Canada s colonial past How can the past be erased for all its faults she writes If the current vein continues Canada will end up with a revisionist history without truth The More the Merrier offers a glimpse of the rich experiences of a seventy year old woman living life to the fullest **Virtues and Passions in Literature**

Anna-Teresa Tymieniecka,2007-11-10 The Human Condition prompts our creative strivings beyond the natural round of life toward outstanding achievements This book explains how the emergence of Human Condition lifts natural endowment of the individual to the level of excellence It shows how natural forces and promptings of life transmute through creative Human Condition subliminal passions of the soul into innumerable streaks of spiritual significance Dante, Mercy, and the Beauty of the Human Person Leonard J. DeLorenzo,Vittorio Montemaggi,2017-07-14 Dante Mercy and the Beauty of the Human Person is a pilgrimage to rediscover the spiritual and humanizing benefit of the Commedia Treating each cantica of the poem this volume offers profound meditations on the intertwined themes of memory prayer sainthood the irony of sin theological and literary aesthetics and desire all while consistently reflecting upon the key themes of mercy and beauty in the revelation of the human person within the drama of divine love **The Beauty of the Lord** Jonathan King,2018-05-30 Why is God s beauty often absent from our theology Rarely do theologians take up the theme of God s beauty even more rarely do they consider how God s beauty should shape the task of theology itself But the psalmist says that the heart of the believer s desire is to behold the beauty of the Lord In The Beauty of the Lord Jonathan King restores aesthetics as not merely a valid lens for theological reflection but an essential one Jesus our incarnate Redeemer displays the Triune God s beauty in his actions and person from creation to final consummation How can and should theology better reflect this unveiled beauty The Beauty of the Lord is a renewal of a truly aesthetic theology and a properly theological aesthetics Essays Friedrich Schiller,1884
