Talking with Jessica I realized how easy it had been for me to kind of put all 12 years of my time on Big Bang Theory under one general umbrella as it were. The questions she asked and the information she'd reveal to me from someone else she'd interviewed forced me into a frame of mind where each season and sometimes each episode became its own separate entity again. Frankly it turned into a version of therapy I hadn't realized I'd needed and couldn't have known how much I'd enjoy. Jim Parsons The Big Bang Theory Challenging Trivia
