Advances in Brand Semiotics & Discourse Analysis George Rossolatos, 2023-03-07 This volume addresses some of the most important conceptual, methodological, and empirical challenges and opportunities with which the sister disciplines of semiotics and discourse analysis are mutually confronted in the context of considering new avenues of cross-disciplinary application to distinctive branding research streams. In continuation of the collective volume *Handbook of Brand Semiotics* (Kassel University Press, 2015), which sought to consolidate relevant scholarship and to identify the main territories that have been established at the crossroads between branding and semiotic research, the current *Advances in Brand Semiotics: Discourse Analysis* aims at accomplishing further strides in critical areas such as the exigency for reconsidering the aptness of existing semiotic theories in the face of the radically shifting co-creative landscape of digital branding, the benefits of systematically micro-analyzing brand communities' discourses by drawing on CAQDAS programs, the combination of big data

analytics with discourse theory in corpus analysis and the epistemological issues that emerge while combining discourse analysis with time hallowed marketing qualitative and quantitative research methods At the same time the volume hosts a resourceful blend of empirical studies and novel conceptual frameworks in burgeoning streams such as place heritage culinary personal and political branding *The Routledge Handbook of Discourse Analysis* Michael Handford, James Paul Gee, 2023-05-15 The Routledge Handbook of Discourse Analysis covers the major approaches to discourse analysis from critical discourse analysis to multimodal discourse analysis and their applications in key educational and institutional settings The handbook is divided into eight sections Approaches to Discourse Analysis Gender Race and Sexualities Narrativity and Discourse Genre and Register Spoken Discourse Social Media and Online Discourse Educational Applications and Institutional Applications The chapters are written by a wide range of contributors from around the world each a leading researcher in their respective field With a focus on the application of discourse analysis to real life problems the contributors introduce the reader to a topic and analyse authentic data This fully revised second edition includes new sections on Gender Race and Sexualities Narrativity and Discourse Genre and Register Spoken Discourse Social Media and Online Discourse and nine new chapters on topics such as digital communication and public policy and political discourse This volume is vital reading for all students and researchers of discourse analysis in linguistics applied linguistics communication and cultural studies social psychology and anthropology **Critical Discourse and Corpus Approaches to Systemic Functional Grammar** Chenguang Chang, Josef Schmied, Matthias Hofmann, 2021-03-18 The present volume draws on the experience of the Workshop held in Germany in late 2018 to combine the specialisations of the two linguistic research teams of the two partner universities Sun Yat sen University in China and Chemnitz University of Technology in Germany It combines more theoretical approaches by experienced scholars and case studies by young researchers on topics and texts on current Chinese developments The contributions can also serve as a general model for open and critical international and intercultural academic discourse Multimodal Literacy in English as an Additional Language in Higher Education Mercedes Querol-Julián, Inmaculada Fortanet-Gómez, 2025-04-30 Multimodal Literacy in English as an Additional Language in Higher Education addresses three key aspects of multimodal literacy in higher education identifying what is understood by multimodal literacy its teachability in the EAL context and how to integrate multimodal competence into professional development programmes This edited collection provides a diverse and international perspective on multimodal literacy development in both students and teachers in higher education settings The volume is organised into three parts the first examines the concept of multimodal literacy at university level from different perspectives the second focuses on students with examples of how multimodal literacy pedagogies in EAL courses can be meaningfully applied and the third explores the design and implementation of EAL teachers professional development programmes which promote and enhance multimodal literacy Multimodal Literacy in English as an Additional Language in Higher Education paves the way for the integration of
