The Bone House English Edition:

The Bone House Stephen R. Lawhead, 2012-05-14 Kit Livingstone is on the run hunted by the Burley Men as he tries to piece together a map that reveals the hidden dimensions of the multiverse Kit however is not the only one traveling through time and space to influence the future of the future

At the Bonehouse Jack B. Bedell, 2024-02-27 Storytelling is integral to the culture of south Louisiana particularly the Atchafalaya Basin where Jack Bedell grew up Raised however with a generation of south Louisianans taught to act Middle American rather than Acadian Bedell attempts in his poetry to recapture a culture The poems in *At the Bonehouse* record the successes and failures of his search to discover what shaped him Through his narrative poetry Bedell provides an accurate representation of the landscape of the region and makes sense of its culture and people His poems reflect the images and experiences common to Acadiana saltwater marshes and cypress swamps cleaning redfish hunting teal listening to the broken tones in an old oil field worker's voice making the region and its inhabitants accessible to a wider audience and at the same time bringing him closer to understanding himself and his heritage

For the Boy in Bayou Blue Who Spoke in Tongues When he was twelve he made the national news to his parents delight and filled the pews of the Living Word with gaggles of girls and tourists eager to hear the sermon he's planned for a Current Affair His long curly hair and sparkly eyes glowed when he's share his witness with the congregation He'd shout and swoon and lash his tongue while rows fell out rolling in ecstasy around his raised pulpit It pleased the deacons when the crazed fainting crowds filled their baskets with money but no one wondered when his eyes rolled a funny white back into his head as if he were reading from cards inside his skull or if the Spirit would come and improvise the whole show for him while his mouth spewed syllables like phlegm
