Angels in the Bible George M. Smiga, Little Rock Scripture Study Staff, 2021-02-15 The Bible is full of passages in which angelic beings are sent to accomplish God's will. Angels speak for God, direct the course of nations and protect God's people. They worship God and deliver God's judgment. In *Angels in the Bible*, George Smiga examines some of the Bible's most fascinating passages about angels, exploring their ministry on God's behalf and drawing insights for our own spiritual lives. Because angels are mediators of God's presence and action, studying angels is studying God. Commentary, study and reflection questions, prayer and access to recorded lectures are included. 6 lessons. *The Hum of Angels* Scot McKnight, 2017 The majority of earth's inhabitants believe in angels. Yet many of us cannot claim to have seen one. Why? Perhaps it's because in order to encounter one, we first have to learn what to look for and how to look. We live in a world where the natural and supernatural overlap. Angels are constantly on mission from God and constantly at work in the world. From the Garden of Eden to the book of Revelation, Scripture is filled with hundreds of references to these wondrous creatures. In this creative work, Scot McKnight explores what the Bible says and doesn't say about these majestic beings. **The Ministry of Angels. A Sermon [on Heb. I. 14] Preached ...
