The Victory with No Name Colin Gordon Calloway, 2015 A balanced and readable account of the 1791 battle between St Clair's US forces and an Indian coalition in the Ohio valley one of the most important and under recognized events of its time

The Noname JX, 2020-06-10 These stories are of the battle between the light side and the dark side in each of us within our four brains They are the outer and inner battles of a modern Jedi As above so below Part 1 King of Spades The Moving brain Core is spirit will and chi as connectivity and how it can be used for good or evil The physical challenge of using ones will and chi and how it can be used to manipulate and control by the dark side Part 2 King of Hearts The Emotional brain Core is spirit and its centre in the heart After winning a battle deeper emotionality of the dark side remains in our heart sometimes to a great depth The poltergeist is our subconscious and how things we think we have conquered return from the dark side to haunt us Part 3 King of Diamonds The Intellectual brain Core is spirit and intelligence the bright side of the intellect and freedom versus the dark side of oppressive ego and dominance of the state Or free will versus dominance in ones mind Part 4 King of Clubs The Physical brain Core is As above so below Every person is their own planet Earth their friends orbit them and when their closest friend the moon moves out of orbit the seismic turmoil can wash them away The physical light side of our world and dark illnesses can pervade The fundamental connection between humans and the World and the route to Spirit is through their sense of humour It opens the door to the light and illuminates some dark corners
