and masculine perspective that promotes wholeness interconnectedness and respect for life Learn how you can facilitate this evolutionary transition by observing tapping into and trusting the data streaming from your feelings heart feminine thoughts mind masculine and the physical body In this transformative step by step guide you will See how the masculine qualities of action leadership and thinking must always contain the feminine characteristics of compassion creativity and feeling Probe the benefits of setting healthy boundaries utilizing left and right brain functions living in the present and much more Discover your invaluable worth and the contribution personal transformation makes to humanity s collective shift Raise your awareness through practical supportive exercises and narrative stories Marrying the feminine heart and masculine mind requires a radical shift in consciousness A Pathway to Union serves as a blueprint to awaken and explore what it means to fully integrate feminine and masculine attributes into your life in the twenty first century **Suns of God** Acharya S,2004 Unlike many modern historians Perry was a diffusionist who believed that modern civilization began in Egypt and was spread via ships to Indonesia the Pacific Islands and even to North America Perry traces the origin of megalithic culture starting in Egypt and then across the Pacific Searching for gold obsidian and pearls they travelled across the Pacific to the American Southwest and Mexico **Things Your Church Never Wants You to Know** Pastor Ted Pryor,2008-11-25 Things your church dont want you to know Why Lie when the Truth will do Was given from God Yahweh to bring his people out of bondage of the Church The Church has lost its way and this book was designed to help put her back on course This is the first installment of a three part series And in no way meant to bring Leaders to an open shame But to help heal the hurt and give a fresh ray of Hope and Grace to Gods Yahweh Sheep Dont lie to me tell me the truth and let me choose to obey the word Why lie When the Truth will do **International UFO Library: Feb / Mar 1994** Joseph J. God Does Not Want You To Go To Hell Angelo Morales,2025-03-07 Every human being in this world has an expiration date meaning their death date No one knows when that is going to take place in their life That is why we should live each day like if it were our last day here on earth because the human race has violated the laws of life given to them by God Almighty

the Creator of heaven and earth So much has happened since the beginning that only a small fraction of the whole world's population through the millennia has responded and understood how all this came to be while the rest of the world seems to be oblivious of their life here on earth who are unaware of that life in the spiritual world That is why most people in hell don't even know why they are there or that hell even exists because of their lack of knowledge of the scriptures God has been warning the people on earth of that life in spiritual hell People are not concerned or interested in knowing of that life in hell until they get there and by then it will be too late for them All those warnings about hell are written in the Bible God even went further and wrote this book for the ungodly in this world named God Does Not Want You to Go to Hell It is all up to you now whether you are going to hell or not Choose life in Jesus and you will bypass this place called hell forever and if you don't this book will be a witness against you at your day of judgment in the spiritual world Now don't let this happen to you for you are living on borrowed time Accept Jesus as your Lord and Savior serve God faithfully and you will live and if not life and death is only a heartbeat away Here is the email address for this book and a PO Box address so I can receive letters from those who are saved by reading this book which is God's book choosejesusnohell yahoo com God's Books PO Box 44578 Brooklyn Ohio 44144

The Liberation of the African Mind Adisa Franklin, 2004-11-02 The Liberation to the African Mind The Key to Black Salvation is a strong book written to the millions of African Americans who have had their history distorted by the Church and public schools Because of these distortions Black people are estranged and alienated from their culture and the wisdom of their ancestors The book challenges African Americans to begin to think for themselves especially in the realm of religion It is a prophetic book with a revolutionary perspective It is prophetic in that it points to the direction the Black Church must take to effectively address the spiritual needs of the Black community It is revolutionary because it challenges the Church and believers to establish a new paradigm an African Spiritual frame of reference The Black Church must transform itself and take on a new view of the scriptures doctrines and dogmas of Christendom This book documents the fact that what Blacks have been given as Christianity is in reality stolen African mythology cosmology and history that has been corrupted by Roman and Greek priest philosophers and emperors It is one of the most powerful challenges to Orthodox Christianity to date The Truth will liberate you from their strong delusions While there is indeed some positive and beneficial aspects to Church membership it is time for the Black Church to make its exodus from the Western religious way of faith in God to the African spiritual way of knowledge of God Black Pastors and religious leaders must begin to teach that which will bring about the manifestation of the fullness of Christ This is the charge given to all church leadership by the Bible they teach from And He Himself gave some to be apostles some prophets some evangelist some pastors and teachers for the equipping of the saints for the work of the ministry for the edifying of the body of Christ till we all come to the unity of the faith and the knowledge of the Son of God to be a perfect man to the measure of the stature of the fullness of Christ Ephesians 4 11 13 There are far too many Babes in Christ in the Church It is not the fault of the believers but a reflection of

corrupted doctrines and false dogmas In addition the unity of the Black Church must become a priority Not one church or believer can say they have no need of the rest of the Body of Christ in good conscience Yet unity in the Black Church is more a rhetorical than an actual reality Imagine what could be done if the wealth of the Church was combined to establish a super fund Unity must be at the top of the agenda for the Black Church and for the Black community Lastly though we have the proverbial church on every corner there is an undeniable spiritual crisis in the Black community The Liberation of the African Mind The Key to Black Salvation makes the Spiritual Resurrection of the Black man a valid goal and priority It will challenge many long held beliefs and dogmas however Christendom must be examined and that which is not of God must be abandoned Not since Marcus Garvey Fredrick Douglas and the Honorable Elijah Muhammad have Blacks questioned the validity or efficacy of Christianity Mr Muhammad made an attempt to make Blacks aware that Christianity was the religion of the people who had enslaved them Every race worships God in a way that is peculiar to their culture Since the days of captivity Blacks have worshiped the god of their conquerors and oppressors Worshipping a White man as God is not only a form of idolatry but extremely detrimental to the Black Psyche
