The Border Guide :

The Border Guide Robert Keats, 2009-07-01 The Border Guide is the definitive guide to cross border financial planning for Canadians who either live in the US seasonally or all year round. It also includes useful information for US citizens living or just investing in Canada. This updated edition includes extensive new information on the Canada US Tax Treaty, the impact of the higher Canadian dollar, new border issues since 9/11 and many small regulatory changes that are needed to keep the book current. Many Canadians incorrectly assume that the laws governing investment taxation and immigration are the same in the US as they are in Canada. This easy to follow guide can help anyone transact their cross border business affairs with confidence.

The Border Guide Robert Keats, 2019-07-04

Cross the Border with Confidence. Now in its twelfth edition, this book is the definitive guide to everything financial for those living a cross border lifestyle in Canada and the US. If you are a Canadian living seasonally or year round in the US, a US citizen living in Canada, or if you have financial assets in both countries, this book can save you time, money, and headaches. Updated for recent changes to cannabis laws and the United States-Mexico-Canada Agreement, the strategies outlined here will help you adopt the most amazing, ideal crossborder lifestyle. Imagine your own virtual private swinging door on the Canada-US border that allows you to go through in either direction whenever you want, for whatever time period you want, free from worry and funded by substantial tax reductions. Plus, it will give you access to both US and Canadian medical coverage for the rest of your life. Learn how to legally reduce both Canadian and US taxes. Protect your assets from fluctuating exchange rates. Eliminate stress during border crossings. Operate your business from either side of the border to your best advantage. Make investments that are free from both income and estate taxes. Use proven tools to eliminate both the Canadian death tax and US estate taxes. Remove your RRSP and other registered plans from Canada at very low or no net income taxes using proven cross border tools. Use the Canada-US Tax Treaty to greatly save money and reduce taxes on the sale of your business. The included exclusive kit of downloadable materials includes: Choosing a cross border financial planner, Lists of free useful publications, Lists of embassies and consulates, And much more.

Crossing Borders for the Truth William R. Charlesworth,2008-08-15 The time is post World War II the place is the United States and sporadically several at risk foreign countries The story is about a young scientist Richard who believes that the origins of violence and warfare can be found in the early life experiences of individuals To test this belief Richard insists he must have firsthand research experience which means traveling to foreign countries to observe local populations under stress and to study their children In the process he meets many intriguing people and inadvertently gets entangled in a potentially dangerous espionage operation William Charlesworth has created a story embodying two problems on epistemological the other biobehavioral The first is the problem of acquiring the truth of something firsthand as a valid substitute for learning through potentially unreliable intermediaries such as the popular media The second problem is the question of whether the origins of violence lie in normal resource competition between individuals rather than in some form of innate human pathology While conducting research to deal with these problems Charlesworth s scientist encounters individuals whose survival behavior challenges the value of posing both problems *The Border Guide* Robert Keats,2001 In this informative guide noted financial planner and columnist Bob Keats teaches you everything you need to know about cross border financial planning Book jacket
